Master Works

Inspired by Hepplewhite, this chair is distinguished by the artistic Prince of Wales feather, hand painted by Grand Rapids artisans. The spade foot and detail of the arm are hand carved for crispness and purity of design. The chair is an important Karges archive introduced originally to honor Thelma Beck Karges, the beloved wife of Edwin Karges Jr. Swag nail-head trim is standard. Various paint colors, including custom colors, are available. Also available as inlaid wood versions (3003) and arm chair (4967)
