Heptagonal Ottoman

Designer Series, Truex

The geometry of grace. Furnishing is functional, and sometimes its function is to simultaneously astonish and delight those who behold it. This sumptuous outsized ottoman, created for an iconic modernist house in Houston in the late 1950s, is a tufted luxurious heptagon. Inspired by Charles James, circa late 1950s. Solid Maple frame construction. Button-tufted top upholstery with welt accent. Tight upholstered base.
