Bamboo Drinks Table

The Classics

The design of this table is taken from the Italian Classic Revival period. This table is available in wood finishes or the specialty decorated finish: Faux Bamboo. The Faux Bamboo finish features a top border of hand-painted olive leaves and swags of pearls painted in Burnt Sienna on the apron. The legs sweep outward from a faux bamboo column, and end with a delicate, hand-carved cloven foot. Siena Tuscany has long been known for its painted and gilted furniture. The Burnt Sienna finish, matches the rich soil pigment found there.
