Oak Room Cabinet

Metropolitan, Truex, Designer Series

Inspired by the work of Robert Door Jr., circa 1942, the Oak Room Cabinet is the perfect artistic element to add to your furniture collection. It is crafted of quarter-sawn Oak solids and veneers. The drawers are graduated in size and the chest has a slight taper, to add interest and detail. The pulls are carved acorns on a bronze ring. This chest is available in any of our cerused Oak finishes.
