Adelphi Sandbox Bed - Queen

The Adelphi Sandbox bed is a marriage of classic Art Deco and Regency design, incorporating a simple serpentine panel headboard of Mahogany Ribbon Stripe veneer framing a padded upholstered panel. The corner details of the upholstered panel are drawn from classical shaped moldings and the side and footboard rails with rounded corners are raised on round tapered legs. Classical forms and shapes create a canvas for a variety of finish and cover options, from formal modern to casual transitional. Welt trim is standard but nail trim is available for an extra charge.
