Facets Parson Style Cocktail Table

Facets

Modeled after the Facets Parson dining table the next product option is a square cocktail table.

This design style works perfectly as an occasional table. The maple solid frame has a sleek concave shape and is available in any of our standard stain or paint finishes. This version features COL leather top. Finished in Brushed Putty (252). Multiple leather options are available for a sleek, casual luxury appeal.

For more information on the array of luxury options with Facets Occasional, Click Here.
