On December 27, 2020, the Consolidated Appropriations Act was enacted, requiring enhanced transparency in healthcare costs, including broker compensation.

Agents and brokers must now disclose both direct (e.g., commission) and indirect (e.g., bonus incentives) compensation to consumers. This disclosure must be made verbally before the consumer finalizes their plan selection.

Please Note The Following:

- In accordance with the Broker Agreement, Antidote Health reserves the right to change this Commission Schedule at any time with 30 days prior notice via email.
- It is the responsibility of each broker to ensure their email address is updated and on file with Antidote Health.
- The commission schedule is reviewed periodically and may be adjusted to reflect current conditions.
- PMPM means per member per month where member is defined as each individual enrolled with coverage under a single Qualified Health Plan (QHP) insurance policy.
- PEPM means per employee per month where employee is defined as each employee enrolled in small group coverage, regardless of dependents.
- Commissions are only paid to brokers who are licensed and appointed to sell Antidote Health plans, and are considered to be in good standing.
- Commissions are paid only for months the policy is in force.
- Sales made during Open Enrollment and Special Enrollment are eligible.
- Commissions are paid at posted rate at time of enrollment.
- Antidote Health reserves the right to seek charge-backs or recoupment of unearned commissions in accordance with applicable laws and regulations.
