Multi-Facet 36" with Double Flip Top & Large Caster

Facets

This innovative mobile work unit blurs the lines of luxury home furnishings and workspace. This charming table features a top that flips open on both the working and approach side with a generous drawer and a slim space for a phone or tablet. It features wood pullouts with a small knob for support of the flip top and is on a decorative caster to make it a mobile work unit, tea table, breakfast table, or whatever your needs may be. It is offered with a Maple, Oak, or Mahogany drawer face and can be finished in any of our painted lacquers or stained finishes with the exception of Striata finishes. All Facets hardware is available on these units and it is also offered with a small, decorative caster and with the option of a top that flips open
