*$0 virtual care benefit applies only to virtual visits with an Antidote Health clinician for Essential, Enhanced, Complete and Elite plans. Antidote's clinicians are available in select states. If you are traveling outside your plan's service area and have not previously established care, please contact Member Services to confirm virtual care availability. Prescriptions, visits, and services may be limited at the clinician's discretion in accordance with state law or under plan terms.
**$0 copay applies to primary care provider (PCP) visits, regardless of Tier designation, when referred by an Antidote Health clinician. Without a referral, the standard PCP copay applies. Referrals may be limited when the requested service can be provided directly by an Antidote clinician or when a referral is not considered medically necessary. Members may choose to self-refer; however, doing so will result in the Tier-1 or Tier-2 copay applying. See plan details for more information
***$0 copay applies to all medications on the $0 Core Rx Drug List when prescribed by an Antidote Health clinician, and to all medications on the $0 Advanced Rx Drug List regardless of the prescribing clinician. Refer to the applicable drug list for the most current information and pricing. Coverage and $0 pricing depend on your plan and on the strength, form, and prescribed use of each medication; check your plan documents or the Antidote Member Portal to confirm.
Plans are offered or insured by Antidote Health Plan of Arizona, Inc., Antidote Health Plan of Georgia, Inc., Antidote Health Plan of Ohio, Inc. or Antidote Health Insurance Company of Texas.
