Louis XV Curio with Carved Crown and Bent Glass Ends

Master Works

The deep, crisp hand carving on the crown flows into the bold curve of the bonnet. The glass is generously curved to follow the bloom in the back of the case and eases into the base that too has been chiseled by our hand carvers. A mirrored back panel and showcase lights are standard. There are five adjustable glass shelves.

Wood Species: Walnut

Dimensions

Width: 50" (127 cm)

Height: 86" (218.44 cm)

Depth: 19" (48.26 cm)
