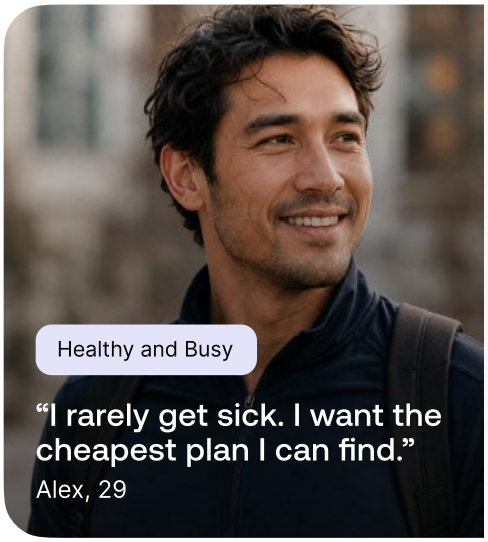
ANTIDOTE

Matching Your Clients to **the Right Antidote Plan**

Use this guide to match your clients to the plan that fits their life, not just their budget.

These Antidote plan suites include unlimited $0 virtual visits with an Antidote provider.[1]

All plans also include 10 ACA essential health benefits, from preventive care to prescription drugs.



Recommended Plan Suite:

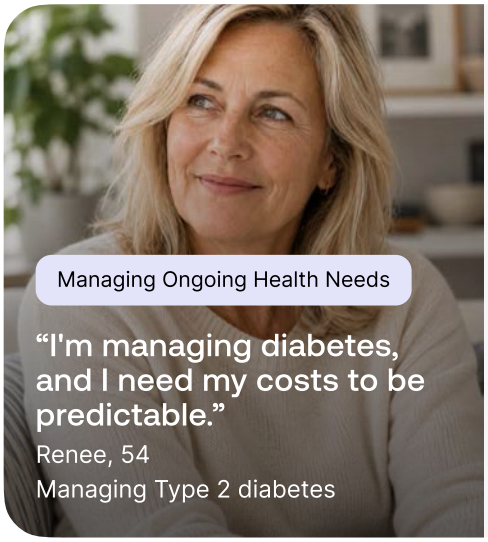
Essential

Available in GA · TX

Why it Works for Alex

Alex can handle most primary care needs through virtual visits with an Antidote provider for $0. If he needs an in-person visit, he knows what it costs and pays for in-person care only when he needs it.

- 2 $75 Tier-1 Primary Care Provider (PCP) visits per benefit period[2]
- 2 $75 in-person mental health visits per benefit period[2]
- $0 copay on select medications through the Core Rx drug list[3]



Recommended Plan Suite:

Enhanced

Available in AZ · GA · OH · TX

Why it Works for Renee

The Enhanced Plan is built for people managing an ongoing condition. It keeps her medication and labs affordable and predictable, all year long.

- 2 $0 Tier-1 PCP visits per benefit period[4]
- $0 Advanced Rx drug list, including medications for diabetes and hypertension[3]
- $0 labs when referred by an Antidote virtual provider[5], including A1C, fasting glucose, and cholesterol checks

ANTIDOTE

Recommended Plan Suite:

Complete

Available in
AZ · GA · OH · TX (off exchange only)

Why it Works for the Ortiz Family

Complete plans are built to flex with a family's needs, whether that's a virtual visit after bedtime or an in-person appointment for a sick kid.

- 4 $0 Tier-1 PCP visits per benefit period per family member[4]
- 8 $0 in-person mental health visits per benefit period
- $0 copay on select medications through the Core Rx drug list[3]

Recommended Plan Suite:

Elite

Available in AZ · GA · OH · TX

Why it Works for David

Elite is Antidote's top tier for members whose medications and labs are a big part of their care. It's built to bring those costs down the most.

- 4 $0 Tier-1 PCP visits and 8 $0 in-person mental health visits per benefit period[4]
- $0 Advanced Rx drug list[3]
- $0 labs when referred by an Antidote virtual provider[5], including cholesterol panels and kidney and liver function checks

Every Plan Covers the Essentials

No matter which suite your client picks, every Antidote plan includes all 10 ACA essential health benefits, from emergency care and hospitalization to maternity care, mental health, and prescription drugs. The plan suites above shape how members access care and what they pay, not whether they're covered for the basics.

[1] $0 virtual care benefit applies only to virtual visits with an Antidote Health clinician for Essential, Enhanced, Complete and Elite plans. Antidote's clinicians are available in select states. If you are traveling outside your plan's service area and have not previously established care, please contact Member Services to confirm virtual care availability. Prescriptions, visits, and services may be limited at the clinician's discretion in accordance with state law or under plan terms.
[2] $75 copay for Tier-1 primary care provider (PCP) visits is available on eligible Essential plans, up to 2 visits/plan year, whether received in person or through telehealth. Refer to plan documents and the Antidote Provider Directory to confirm eligibility and Tier-1 provider designation.
[3] $0 copay applies to all medications on the $0 Core Rx Drug List when prescribed by an Antidote Health clinician, and to all medications on the $0 Advanced Rx Drug List regardless of the prescribing clinician. Coverage and $0 pricing depend on your plan and on the strength, form, and prescribed use of each medication; check your plan documents or the Antidote Member Portal to confirm.
[4] $0 copay for Tier-1 primary care provider (PCP) visits is available on eligible plans, up to 4 visits/plan year for Complete or Elite plans and up to 2 visits/plan year for Enhanced plans, whether received in person or through telehealth. Refer to plan documents and the Antidote Provider Directory to confirm eligibility and Tier-1 provider designation.
[5] $0 lab copay applies to Antidote Elite and Enhanced plans. Refer to plan documents for full details and limitations.

Plans are offered or insured by Antidote Health Plan of Arizona, Inc., Antidote Health Plan of Georgia, Inc., Antidote Health Plan of Ohio, Inc. or Antidote Health Insurance Company of Texas. Not all plan suites are available in all markets. See service area section for details.
