BRIGHAM YOUNG SOCCER

THE FINAL SEASON

FOR LEGENDARY BYU HEAD COACH
JENNIFER ROCKWOOD

As the **only** BYU women's soccer head coach in program history, Jennifer Rockwood has established herself as one of the premier coaches in Division I soccer today. With an overall career record of **489-146-73** in her 32 years at the helm of the program, Rockwood has accomplished great things and coached remarkable players.

Before transitioning to a Division I program, Rockwood led the BYU women's soccer club team for seven years, amassing an overall record of 128-25-9. In the final two years as a club team, Rockwood took her teams to the Western National Collegiate Club Soccer Association title and placed second in the NCCSA National Championships.

As a player, Rockwood spent one year at Rick's College on a basketball scholarship before transferring to BYU where she became a four-year starter at center midfield on the Cougars' club soccer team. Rockwood has also coached youth club programs, high school teams and the Utah Olympic Development Program.

During her tenure at BYU, Rockwood has accomplished several major feats. She has taken the Cougars to **26 NCAA tournament appearances**, including 10 third rounds ("Sweet Sixteens"), five quarterfinals ("Elite Eights"), and **two College Cup appearances.** Her 2021 team made it to the National Championship game for the first and only time in program history, falling to Florida State in penalty kicks. The Cougs went to the Semi Final game in 2023, falling to Stanford.

The Lake Oswego, Oregon native is eighth in the NCAA Division I soccer for most all-time wins and fifth for most wins amongst active coaches. She has the most wins amongst active female head coaches with 475. She is the third coach to start an NCAA Division I program and win 300 games there. Rockwood is also the sixth NCAA coach to win 300 games at one school.

Rockwood has won 17 regular season titles and nine conference tournament championships across four conferences. She led her team to two regular season WAC titles, six regular season MWC titles and nine WCC regular season titles. She also has one WAC tournament championship, seven MWC and one Big 12 tournament title.

After being the lowest seed in the 2025 Big 12 Soccer Tournament, the Cougars took home their first title, becoming the **first team in Big 12 history to win as the lowest seed.**

Rockwood has been recognized by three conferences for her prestige as a collegiate coach, earning WAC Coach of the Year in 1996, MWC Coach of the Year in 2000 and 2008, and earning the WCC recognition for Coach of the Year four times during her tenure (2012, 2014, 2018, 2019).

Rockwood has also earned the title of West Region Coach of the Year in both 1996 and 2012. Her staff was recognized in 2019 for their incredible achievements, earning the honor of United Soccer Coaches Regional Staff of the Year.

The Governor's State of Sports Awards also named Rockwood the 2016 Women's Coach of the Year after an 18-3-1 final season record. The Cougars were also recognized as the Team of the Year following the 2023 season.

After taking her team to BYU's first-ever NCAA College Cup finals, Rockwood and staff were named the 2021 NCAA DI Women's Staff of the Year by the United Soccer Coaches.

Rockwood has coached **29 winning seasons** at BYU, and has ended the season **ranked in the top-25 19 times**, with six top-10 rankings and four top-five rankings. She has coached **24 All-Americans**, two of which are on the current roster (Ellie Walbruch and Lucy Kesler).

Nine MAC Hermann Trophy candidates, six MAC Hermann Trophy semifinalists and three finalists have played for Coach Rockwood at BYU. She has seen 18 former players go professional, and nine players who have played U-20 or higher on the United States Women's National Team.

Currently, there are **seven former Cougs playing professional soccer**. Ashley Hatch, Nadia Gomes, Jamie Shepherd and Brecken Mozingo are all playing in the NWSL. Jennie Lakip is with S.C.U Torreense in Portugal, while Mackenzee Vance and Laveni Vaka play in Liga Femenil in Mexico. Hatch has also played with the USWNT for several tournaments dating back to 2016. She is the first former Coug to earn the NWSL Golden Boot award, receiving recognition in 2021 after finishing her regular season with 10 goals.

Along with Rockwood, Anderson has coached the Cougars to seven NCAA tournament appearances, including their first-ever NCAA National Championship appearance in 2021. The Cougars have earned seven top-25 finishes since Anderson joined the program.

Since joining Rockwood's staff in 2017, Anderson has coached 10 All-Americans and three Academic All-Americans. He has also coached six MAC Hermann Trophy candidates, three semifinalists and two finalists.

Anderson was at BYU when the women's soccer staff earned the honors of 2019 United Soccer Coaches Regional Staff of the Year and 2021 NCAA DI United Soccer Coaches Women's Staff of the Year.

Before joining Rockwood's staff, Anderson was the longest tenured head coach for the UVU women's soccer team. In his 11 seasons with the Wolverines, Anderson compiled an impressive 110-100-14 record.

Anderson led his team at UVU to the program's first NCAA tournament appearance in 2015. He guided the Wolverines to a then-record 13 wins in 2014. Anderson is the one-and-only recipient of the Great West Conference Coach of the Year award, garnering the honor in each of the four years that the league existed.

Prior to his coaching career, Anderson played club soccer at Utah State for four years. He was a four-year starter and team captain in 1996 and 1997 as a goalkeeper. Anderson was named First-Team All-Region National College Soccer Association (NCSA) in 1997. In the NCSA, he played against teams such as Arizona, Michigan, Tennessee and Kansas State. As team captain, he led the Utah State club team to the NCSA Final Four in 1997.

After finishing his playing career, Anderson started the Cadence Soccer Shop in Cache Valley. He ran clinics and held leagues with the business from 1996 to 2000. In 1998, Anderson opened Ultimate Sports, an Indoor Soccer Facility located in Hyde Park, Utah. He worked as the director of operations, the director of player development and the head coach of several club teams while running the business. The facility also included other recreational activities including a rock-climbing wall.

Anderson currently owns and operates Bullnose Products, which carries specialty fishing items, with his wife, Kathy

Anderson is a native of Logan, Utah. He graduated from Mountain Crest High School in 1989. He played soccer all four years. In his senior year he was named to the All-Region team. When Anderson is not coaching soccer he enjoys spending time with his family, snowboarding, skateboarding and playing indoor soccer with his family and friends. Anderson also collects OG and reissued skateboards from the 80's.

Anderson and his wife Kathy have four kids: Tennessee, Easton, Kaiya, and Ever.

GO FORTH TO SERVE

Brigham Young University is owned and operated by The Church of Jesus Christ of Latter-day Saints and the missionary program is one of its most recognized characteristics. Latter-day Saint missionaries can be seen on the streets of hundreds of major cities in the world as well as in thousands of smaller communities.

The missionary effort is based on the New Testament pattern of missionaries serving in pairs, teaching the gospel and baptizing believers in the name of Jesus Christ (see, for example, the work of Peter and John in the book of Acts).

More than 87,000 full-time missionaries are serving missions for The Church of Jesus Christ of Latter-day Saints. Most missionaries are young people under the age of 25, serving in 506 missions throughout the world. Single men serve missions for two years and single women serve missions for 18 months.

Missionary work is voluntary. Missionaries fund their own missions — except for their transportation to and from their field of labor — and are not paid for their services. Missionaries avoid entertainment, parties or other activities common to this age-group as long as they are on their missions, so they can focus entirely on the work of serving and of teaching others the gospel of Jesus Christ.

The Church of Jesus Christ of Latter-day Saints was officially organized on April 6, 1830 with six members. Today, congregations of the Church total over 17.5 million members, and it is one of the fastest growing religions in the world and one of the largest Christian churches in the United States.

The Church of Jesus Christ of Latter-day Saints is Christian, but is neither Catholic nor Protestant. Rather, it is a restoration of the original church established by Jesus Christ. For more information on the beliefs of the Church of Jesus Christ of Latter-day Saints, visit www.ChurchofJesusChrist.org.

The BYU women's soccer team is unique in that it currently has four players on the team who have served full-time missions. The women's soccer team has the most returned missionaries among all the women's athletic programs at BYU.

BYU SOCCER SUMMER CAMPS

The BYU women's soccer program hosts one of the largest soccer camps in the country every summer alongside the BYU men's soccer program. These camps include half-day mini cubs camps for ages 5-7, cubs camps for ages 7-12 and overnight camps for ages 12-18.

These camps are headed by BYU women's soccer head coach Jennifer Rockwood and men's head coach Brandon Gilliam along with their staff, players and former BYU soccer standouts from nationally ranked programs.

These camps are intended for kids of all ages and skillsets, ranging from those just beginning competition to those who have had a high level of experience (premier club level and ODP). Campers are grouped together by age, ability and gender.

Proved to be a valuable scouting and recruiting tool for BYU head coaches, many campers also attend to showcase their abilities in the hopes of someday earning a spot on a BYU soccer team roster. Many girls on the current roster attended the BYU soccer camps as kids and teenagers and now help coach at the camps every summer.

Camp Benefits:

- Receive personal instruction from BYU's head coaches
- Receive training in technical and tactical aspects of the game
- Increase knowledge of offensive attacking
- Gain insight from current and former BYU soccer players
- Train and compete at your specific skill level

CONFERENCE SUCCESS

BYU women's soccer has a history of remarkable conference success, dating back to 1996 when it won its first conference title in the Western Athletic Conference. During its years in the MWC, BYU earned six regular-season championship trophies. The Cougars earned nine regular-season championship trophies in the WCC before joining the Big 12 conference in 2023. The longest regular-season conference champion title streak for BYU is five years in a row, running from 2012-2016. While the WCC did not have a conference tournament, BYU earned the title of conference tournament champion seven times in the MWC and once in the WAC. The Cougars earned their first Big 12 tournament title in 2025 and will enter the 2026 season looking for their first-ever Big 12 regular-season championship title.

SOUTH FIELD

Considered one of the toughest places for opponents to play in collegiate soccer, South Field was the top home venue in college women's soccer in terms of attendance per game in 2019 (2,945), 2021 (2,513), 2022 (3,186) and 2023 (4,036). In 2025, BYU ranked No. 1 in the nation for accumulative attendance (37,954) and No. 2 for average attendance (3,450). BYU broke program records for single game attendance in 2017 when it hosted No. 1 UCLA (5,735).

Located just south of the Smith Fieldhouse, South Field boasts one of the best-maintained grass playing surfaces in the NCAA. In fact, the U.S. Men's National Soccer Team chose South Field as its practice field in preparation for the 2005 World Cup qualifier against Costa Rica. South Field is also equipped with state-of-the-art field lights, making night games a favorite among fans. In addition, the Wasatch Mountains serve as a scenic backdrop for the dedicated fans.

This popular facility underwent renovations in March 2008 and Spring 2017. The South Field now features a permanent grandstand of 20 rows that accommodates 4,200 spectators in chair and bench-back seating. The grandstand is 26 feet high, 216 feet across and 65 feet deep. In 2017, the field was replaced and a concrete pad was installed under the press tent.

SOUTH FIELD GOES INTERNATIONAL

Few collegiate soccer venues have the opportunity to host senior national teams preparing for a FIFA World Cup. In 2026, BYU joined that select group when South Field welcomed the Korea Republic Men's National Team for a pair of international friendlies. The matches transformed South Field into a global venue, showcasing world-class talent and highlighting the reputation of BYU's facilities, event operations and soccer culture on an international stage. The matches drew sellout crowds, worldwide broadcasts on BYUtv and international attention to South Field, providing a rare opportunity for local fans to watch world-class players compete in Provo.

Preparing for the 2026 FIFA World Cup, Korea Republic earned consecutive victories during its stay in Provo, defeating Trinidad and Tobago 5-0 on May 30 and El Salvador 1-0 on June 3. The matches featured some of the world's top talent, including Korean captain and international star Son Heung-min, who recorded a brace in the opening match.
