RBP Forged Wheels are the epitome of high performance luxury wheels. RBP Forged wheels are forged right here in the United States using a proprietary forging process of over 2 million pounds of pressure to custom shape the T-6061 or T-6066 aluminum into the perfect wheel – strong, light and dense. Then, the RBP Forged wheels are CNC custom cut for the perfect design of your choosing. The final finishes can be painted, powder coated or polished to match. We can create anything you imagine.

RBP SPARE TIRE COVERS

RBP Spare Tire Cover is made using the highest quality materials for a superior finish and enhanced durability. These spare tire covers are water resistant and wipe clean with a damp cloth. RBP Spare Tire Covers feature the iconic gray and red RBP logo, and fit tires 29.5 inch to 32.5 inch.

- Weather resistant
- Durable canvas material
- Keeps the spare tire clean and dry

RBP TAILGATE NETS

RBP Tailgate Nets are designed to lighten your load, reduce wind drag, while lowering fuel consumption and costs. Crafted from high-quality nylon to prevent fraying and stretching, RBP Tailgate Nets provide a functional alternative to an original tailgate. The RBP Tailgate Net features the Red or Gray RBP logo with our classic design.

Builder: Darren Sammartino

BLACK AND CHROME HOOP STEPS

Constructed by RBP from a single, solid-piece of cast aluminum, means this is a step with strength, durability and unmatched good looks.

- Reinforced mounting area
- Corrosion resistant cast aluminium
- Wide step pad area

D-RING WITH LOCK AND PIN

Accessorize your off road bumper with RBP's all new "show series" D-rings that are made of high grade tough materials that will provide safe and secure recovery.

Details matter, and a RBP RX-2 Locking Fuel Door is one sweet detail. Crafted from the highest quality billet aluminum, and accented with an industrial studded look, these fuel doors are also locking, so there's one less thing to worry about. The RX Series Polished and black powder coated Aluminum Fuel Cap with RBP logo gets way into the details, and completes the RBP look. RBP Fuel Doors are made of solid aluminum and assembled with stainless steel bolts.
