XUXA FLATLINE

CJC SYSTEMS

ABOUT	Switch panel 24v-230v without button
ASSEMBLY AND INSTALLATION	Universal built-in-boxes without ridges **Our included screws must be used during installation.** **The walls must also be perfectly flat. In any case, when removing the plate for disassembly, proceed with great care. Keep your thumbs on the buttons and gently press behind the plate to release it, ensuring that no damage occurs.**
WIRING	Traditional or low voltage cable
POWER SUPPLY	230 v ac (6A) or low voltage ac/dc
BUTTONS AND LEVERS	Buttons are separate. Can be combined with Nina levers & Irina buttons.
ENGRAVING	Our plates are fully engravable according to your wishes, all kinds of fonts & symbols are possible.
CARE AND MAINTENANCE	Please do not clean our products with aggressive cleaning agents or alcohol-based products. These can damage the exclusive finish and materials used. To maintain the quality and appearance, we recommend using only mild cleaning applications. Do not place any type of tape on the bronze finishes this can damage the varnish layer.
FINISH CODE	To complete your order code, add the code of your chosen finish to the product code. For example: CJC5701**V**
