Joan,

This is an endeavor to have the zoning designations better match the Comprehensive Plan designations. This is not in conjunction with any redevelopment application. For more detailed information the linked staff report may be useful: https://gardencityidaho.org/vertical/sites/%7BA16704C5-04AE-4C54-B8E0-ADC537012C3E%7D/uploads/ZONEY2025-0001_Staff_Report_08202025.pdf

Hello,
We are looking at property in the Lakeland Village Subdivision and was informed of a Zoning change from R3 to R2. Can you please explain why this is occurring and why the R 3 criteria is changing? Are there plans for redevelopment?

Regards,
Joan
