Attachments:	SAPFY2026-0001 Linja Comment Package 9-30-2026.pdf

---

Good afternoon,

Please find attached a PDF file with my comment letter along with redlines on the proposed Heron Commons SAP. I am available to meet and answer any questions. Likewise, I ask a lot of questions in this comment package. How best to get responses?

Please confirm receipt of this email and attachment (to be included in the record).

Thank you.

Rod Linja
