More houses go up.
Fewer animal relatives visit.
Our family is too far away.
But soon it'll be different because . . .

Etsi says we're on a new path.
One that leads us to
our ancestors' land
and to our people.
I'm ready.

Singing,
shell shaking,
storytelling,
stickball playing
all offer different beats.

Done!

"You look great, swing."
Let's play!
