DR TOONZ

Before Reactoonz and Gargatoonz, there was Dr Toonz.

Once a highly respected scientist, Dr Toonz risked his reputation to pursue his belief that life forms could be created in new and wonderful ways. Shunned by the scientific community, Dr Toonz chose the vibrant life that his creations ensue. As the great philosopher, Aristotle said, *'There is no great genius without a mixture of madness.'*

Featuring innovative Dynamic Payways to give you more ways to win in every spin. Three charge features mean you can destroy, transform and even add Wilds to the grid.

Let the experiments begin.
