DESCRIPTION

The Accessory Pack for APT-0913A is the perfect solution for creating a seamless and clean finish with your MACRO Trimless Aluminium Profile. This pack includes mounting brackets and two end caps, one with a hole punch for cable feedthrough, making it easy to install and manage cables. The trimless design ensures a smooth and elegant look, while the mounting accessories provide the necessary heat dissipation to prolong the life of your LED strip. Get the ideal lighting effect by combining the MACRO Trimless Aluminium Profile with LED strips with more than 120 LEDs per meter.
