Weight (g)	960

Description

Enhance the ambiance of your space with our high-quality Single Colour LED Strip. This LED strip is 5 W/m and has an IP20 rating, making it ideal for indoor use. Operating on 24V, this LED strip emits a warm and inviting light in the colour temperature of 4000K. The strip is equipped with 280 high-quality LEDs per metre, ensuring bright and even illumination. With a high colour rendering index of CRI>97, this LED strip will showcase the true colours of your surroundings, adding a touch of sophistication to your space. The strip comes in a compact 10-metre length, making it easy to install and adapt to any surface.
