## REIMBURSEMENT PROGRAM OF THE MINNESOTA PEACE OFFICER TRAINING BOARD

AttyGen 210 Statement of Purpose

An increase in the minimum number of weeks required for the basic training of peace officers has created additional cost to local units of government. The reimbursement program of the Minnesota Peace Officer Training Board will, subject to the availability of funds, assist local units of government to pay the salaries and expenses of a peace officer who has successfully completed a basic training course, or a training course for supervisory personnel, and will help to absorb the cost of providing substitute protections while these peace officers are being trained. Therefore the following rules and regulations have been promulgated pursuant to Minn. Stats. 1967 §626.844.

AttyGen 211 Definitions

(a) The term "reimbursement funds" means money which has

become available to the Minnesota Peace Officer Training Board for use by local units of government to defray the cost of salaries, expenses, and substitute protection incurred during the basic training of peace officers, or the training of supervisory personnel.

(b) The term "local unit of government" means any county, city, village, town, or borough, acting either jointly or individually.

(c) The term "peace officer" as used in Rules 210 through 217 shall have the same meaning as promulgated in Rule 201(f).

AttyGen 212 Eligibility for Program

Any local unit of government which meets the following criteria will be eligible to receive reimbursement funds to help defray the costs of salaries, expenses, and substitute protection incurred during the basic training of peace officers and the training course for supervisory personnel.

(a) The local unit of government shall comply in recruitment procedures with the Minnesota Peace Officer Training Board's recommended minimum standards for the recruitment of peace officers which are currently in effect and which may be amended from time to time. Attached as Exhibit A are the standards currently in effect which are heretofore incorporated by reference.

(b) The local unit of government shall not require a peace officer to work while he is attending the basic training school

unless it is a part of the training program.

(c) The peace officer for whom a local unit of government is requesting reimbursement funds must have successfully completed the respective certified basic training course, or supervisor training course.

(d) All reports requested by the Minnesota Peace Officer Training Board must be filed by the local unit of government or the law enforcement agency thereof.

AttyGen 213 Application for Funds

(a) Application for funds shall be made on reimbursement forms provided by the Minnesota Peace Officer Training Board.

(b) Individual forms must be submitted for each peace officer who has successfully completed a basic training course, or a course for the training of supervisory personnel, for whom the local unit of government seeks reimbursement funds.

(c) The application for reimbursement funds shall be submitted on behalf of the local unit of government by the official directly responsible for peace officer training. If a county is applying for reimbursement funds, request forms shall be verified by the sheriff. In all other cases, verification shall be made by the local chief of police.

(d) A local unit of government must submit any requests for reimbursement funds to the Executive Director of the Minnesota Peace Officer Training Board within 60 days after completion of the respective training schools.

AttyGen 214 Approval of Application

(a) Approval of the application shall be by the Executive Director of the Minnesota Peace Officer Training Board. He shall determine whether the request for reimbursement funds is in proper form and whether the local unit of government meets the eligibility criteria enumerated in Rule 212.

(b) After the Executive Director of the Minnesota Peace Officer Training Board has approved the reimbursement request he shall recommend payment and forward the request form through the appropriate state agencies for disbursement of funds.

(c) Upon approval, each local unit of government shall be entitled to an equal share for each officer trained from the funds designated for such reimbursement, provided that the eligibility criteria enumerated in Rule 212 have been fulfilled for all trainees who begin courses subsequent to the effective date of these regulations. Any such award shall be conditioned upon the availability of funds.

(d) When funds are made available for reimbursement for mandated courses other than basic training, a local unit of government shall, upon approval, be entitled to an equal share for each peace officer who completes such a course, provided that the eligibility criteria enumerated in Rule 212 have been fulfilled for all trainees who begin courses subsequent to the effective date of these regulations. Any such award shall be

conditioned upon the availability of funds.

AttyGen 215 [Repealed]

AttyGen 216 Deadline for Filing Applications

Applications for reimbursement must be submitted within 60 days after receipt of the application form.

AttyGen 217 Mandatory Training for Newly Elected or Appointed Supervisory Personnel

All peace officers appointed to positions in which they will supervise five or more persons shall attend a course for the training of supervisory personnel no later than six months after they have assumed their supervisory duties. This course shall be one approved in writing by the Executive Director, and it shall be at least one week in length. Chiefs of police and sheriffs are excluded from this requirement.

AttyGen 218 Effective Date

These rules and regulations pertaining to the reimbursement program shall take effect upon adoption by the Attorney General pursuant to Minn. Stats. 1967 §15.0412.
