Why Choose the University of Ibadan DBA Online?

The University of Ibadan is Nigeria's first university, with this doctoral research. It carries on that legacy by offering a DBA that's built for working professionals who want to solve real problems, not just write theory.

Through it all lamps, that inquiry is now accessible to professionals who need a flexible and modern way to study.

A Flexible DBA Designed for Senior Executives and Leaders

This is the University of Ibadan experience, now online.

Who This Programme Is For

This programme is designed for:

01 **Senior Executives**
Experienced business and government professionals seeking the highest level of academic qualification.

02 **Experienced Managers**
Leaders with substantial management experience who want to advance their analytical and strategic capabilities.

03 **Entrepreneurs and Business Leaders**
Founders and executives who want to deepen their understanding of business strategy and entrepreneurial innovation.

04 **Management Consultants**
Professionals who provide strategic advisory services and wish to strengthen their research and analytical capabilities.

05 **Industry Leaders and Policy Influencers**
Individuals working at the intersection of business, policy and industry.

What You Will Study

The DBA covers advanced business strategy and applied doctoral research. Students will study subjects such as:

01 Advanced Business Strategy

02 Executive Leadership

03 Applied Business Research

04 Quantitative and Qualitative Research Methods

05 Organisational Transformation

06 Innovation and Change Management

07 Specialisation Courses

08 Doctoral Thesis

Students specialise in one of eight areas: Finance and Accounting, Human Resource Management, Marketing, Entrepreneurship and Business, Oil and Gas, Telecommunication and Digital Technology, or Data Science and Business Analytics.

Learning Experience

The DBA is delivered entirely online through UI Campus. Students access doctoral seminars, research resources, supervision sessions, and academic content through a secure digital learning environment.

Through UI Campus, students benefit from:

01
100% online learning

02
Flexible access to course materials

03
A structured academic pathway

04
Digital learning support

05
Online assessments

06
Access to academic resources

07
Doctoral learning experience designed for senior professionals who need to balance executive responsibilities with rigorous academic research and development.

Entry Requirements

01 Applicants must hold an MBA or a Professional Master's in Entrepreneurship Studies with a minimum GPA of 3.5 on a 5.0 scale or equivalent, and a minimum of 5 years of supervisory experience and a professional qualification (ACA, ACCA, CFA, CIMA, CPA, ICAN, or equivalent) from a recognised body.

02 Applicants must have five (5) O'Level credit passes including English Language and Mathematics, at not more than two sittings.

03 Applicants must submit the required application documents:
• Two National ID or International Passport
• International Passport of Country of Origin and valid Visa
• Curriculum Vitae (CV)
• Academic transcripts and certificates
• NYSC Discharge or Exemption Certificate (Nigerian applicants only)

04 Applicants must submit a 1,000-word concept note or research proposal. The fit is not required for this programme. Degrees must be from the University of Ibadan or a university recognised by the UI Senate.
