02 PROGRAMME OVERVIEW

A Respected Postgraduate Qualification for Accounting and Finance Professionals

In today's increasingly complex business environment, organisations require accounting professionals who can do more than prepare financial statements. Modern accountants are expected to provide strategic insights, support decision-making, ensure regulatory compliance, manage risk, and contribute to organisational growth and sustainability.

The Master of Science in Accounting (M.Sc. Accounting) at the University of Ibadan is designed for graduates and professionals seeking advanced knowledge in accounting theory, financial reporting, auditing, taxation, corporate governance, financial management, and accounting research.

Delivered fully online through UI eCampus, the programme provides the flexibility needed by working professionals while maintaining the rigorous academic standards associated with the University of Ibadan.

03 WHY CHOOSE THE UNIVERSITY OF IBADAN

Why Choose the University of Ibadan M.Sc. Accounting?

The University of Ibadan is Nigeria's first university, with more than 75 years of academic excellence, leadership, and national impact. Its name carries a legacy of scholarship, credibility, and influence across Nigeria and beyond.

Through UI eCampus, that legacy is now accessible to professionals who need a flexible and modern way to study. Learn from anywhere, continue working while studying, and gain a qualification that supports your growth in technology and leadership.
