Field Trip Permission & Notification

To the Parent or Guardian:

It is our goal to provide your son/daughter with every opportunity to perform at their highest academic level. Field trips can be an important aspect in the learning process; but your child must have demonstrated that he/she has taken the responsibility to complete all of the assigned work in his/her respective classes in addition to not having excessive absences, tardies or suspensions or your child will not be allowed to participate. When your son/daughter does go on a field trip, it is his/her responsibility to make up all assignments/tests that he/she missed while on the field trip.

_____ has my permission to go on a field trip to
