PLAYERS

An important factor in the amount of success San Diego State will have in 2005-06... Proved to be an effective rebounder last season... Picked up basketball relatively late in life and continues to develop his low-post moves and ability to score around the basket... Also gaining more comfortable with team concepts on defense... Can't teach his frame of 6-10, 245 pounds.

Mohamed Camara

- Speaks six languages.
- Moved to the United States on Sept. 29, 2001.
- Did not start playing basketball until 1999.

As A Junior (2004-05 Season)

MWC Rankings: 10th in offensive rebounding, 15th in blocked shots

One of five Aztec players to see action in all 29 games and his 21 games started was the third highest total on the team behind Brandon Heath and Marcus Slaughter... Despite playing the seventh most minutes (494) on the team, he ranked second on the squad in rebounding (110), second in blocked shots (18) and sixth in steals (19)... His numbers pro-rated over 40 minutes include impressive marks such as 8.9 rebounds (second on team) and a team-high 1.5 blocked shots... His 52 offensive rebounds tied for the 35th highest total in the school's recorded history... His offensive rebound total is the highest among any Aztec player with less than 500 minutes of playing time... Produced six games with at least seven rebounds... In the five games in which he logged at least 23 minutes of playing time, he averaged 7.8 rebounds and led the Aztecs in rebounding in three of those five games... Playing time varied greatly during the season as demonstrated by a career-high 31 minutes vs. San Diego (12-1-04) and playing less than a minute (officially 0 minutes) at Air Force (1-29-05)... In his 21 starts, he averaged 20.6 minutes of playing time, while he logged an average of 7.8 minutes in his eight appearances off the bench... Tallied the fewest points (70) of any Aztec player with at least 100 rebounds in the Division I era... The previous mark was held by Aerick Sanders set during his sophomore season... Since minutes played began being kept prior to the 1978-79 season, Camara ranked 17th in school history and first in the Steve Fisher era in blocked shots per minute played (.036) (minimum 400 minutes played)... Ranked 42nd in school history in single-season rebounds per minute played (.223)... Had six games in which he played eight minutes or less which unfairly tainted his per game averages... Throw out the numbers in those six games and Camara's per-game averages rise to 2.9 points and 4.6 rebounds in 20.3 minutes of playing time (compared to total season averages of 2.4 points, 3.8 rebounds and 17.0 minutes)... Although his averages did not differ greatly in Aztec wins and losses (2.6 ppg, 4.3 rpg in wins and 2.3 ppg and 3.5 rpg in losses), his field goal percentage and attempts showed a dramatic difference... In SDSU wins, Camara connected on 13-of-27 field goals (48.1 percent) and averaged an attempt every 7:42... In losses, he shot 17-of-51 (33.3 percent) and had one field goal attempt every 9:20... Had a career-high 13 rebounds in 28 minutes of action against Providence (12-31-04)... Also tied a career-high with seven points against the Friars... Other seven-point scoring performance came in his second game as a collegiate player against Monmouth (11-22-04)... Aztecs were 5-4 when Camara shot at least 50 percent from the field (6-14 in other games)... San Diego State was 8-6 when he played at least 19 minutes (3-12 when he did not).

Following two months in the hospital and an additional four months of recovery, Davis switched his athletic focus from football to basketball.

▸ Founded student-athlete leadership group Ko-Ailition. The organization for African-American student-athletes became just the third of its kind in the country (Ohio State and Oklahoma).

▸ Wears jersey number 20 and dedicates his college success to his good friend, Greg Ashford, a Pittsburg High basketball player, who died in a drowning accident during Davis' senior year of high school.

Pittsburg High

An explosive fifth-year senior who was named team captain for the upcoming season in the locker room at the Pepsi Center following SDSU's season-ending loss in the Mountain West Conference semifinals... An athletic forward whose role on the team increased as the season progressed... An aggressive, energetic player that can combat taller opponents with his horizontal and vertical quickness... His hard work and blue-collar approach have made him a favorite among fans... Has played at both the four and five spots for the Aztecs... A tremendously efficient player, Davis' career field goal percentage of 57.5 percent would be a school record if he had enough attempts... He ranks 39th in SDSU's Division I era in career efficiency points per minute played (minimum 600 career minutes)... His career efficiency rating per minute of 0.368 is second among current players in the category trailing only Marcus Slaughter and the only players in the Steve Fisher era to produce a better career efficiency per minute rating are Aerick Sanders (0.520), Marcus Slaughter (0.508), Randy Holcomb (0.485), Al Faux (0.416), Mike Mackell (0.410) and Tony Bland (0.383)... In conditioning tests, Davis has recorded a 27-inch vertical jump and owns a wingspan of seven feet.

As A Junior (2004-05 Season)

One of five Aztec players to see action in all 29 games... Made six starts and played 427 minutes after entering his junior campaign with career totals of no starts and 255 minutes... Despite playing the eighth most minutes on the team, he was 6th in scoring (5.2), 6th in rebounding (2.3), tied for 3rd in blocked shots (10) and 7th in steals (14)... Averages per 40 minutes of action: 14.1 points, 6.4 rebounds and 0.9 blocks... Another example of high productivity can be found when comparing those numbers against the 40 minute pro-rated numbers of the rest of the team where he ranked 3rd in scoring, rebounding and blocks, 4th in free throw attempts and 1st in fewest turnovers committed... After failing to reach double figures in his first 49 games as an Aztec and doing so just once in his first 61 games, he scored 10 or more points in four of the final nine games of the season... After playing 10 or more minutes only 10 times in his first two seasons, he broke that barrier 23 times as a junior and ended his junior campaign having played 13 or more minutes in the final 12 games... Had a personal hockey plus/minus record of 13-16 (meaning SDSU outscored its opponent when Davis was on the court 13 times and was outscored 16 times), which was the third best among SDSU regulars, trailing only Marcus Slaughter and Tyler Smith... Posted the eighth best single-season efficiency rating in the Division I era among players who accumulated 450 minutes or less during the season... That list has been a precursor to success as Joe McNaull and Aerick Sanders - both of whom rank ahead of Davis on that list - went on to earn all-conference accolades... Although he did not have enough field goal attempts to qualify for the school record, his 58.6 percent (65-of-111) was the fifth highest single-season percentage for any SDSU Division I player averaging at least 3.5 attempts per game... It was the highest ever by a non-senior and trailed only the senior efforts by Leon Carter, Leonard Allen, Kevin Betts and Marcelo Correa... Played better as the season progressed and his playing time increased... In February and March, which covered the final 10 games of the season, Davis averaged 7.9 points, 3.6 rebounds with seven blocked shots and seven steals while connecting on 35-of-54 (64.8 percent) field goal attempts... During the final 10-game stretch, his team ranks were: tied for 1st in blocked shots, 3rd in rebounding, 4th in scoring and 4th in steals... Had just 14 turnovers in 427 minutes of action (one turnover every 30.5 minutes)... Averaged 0.333 miscues per minute, the best average by any San Diego State player to record at least 100 minutes since turnovers started being tracked as a statistic in 1979... Started

Sharper Tidbits

▶ Is the only player in the three-point field goal era (beginning of the 1986-87 season) to record more three-point field goals than turnovers and more assists than turnovers in three consecutive seasons.

▶ Owns the second-best SDSU career three-point goal-to-turnover ratio in school history (min. 80 3FG).

▶ Has played in 52 consecutive games, the second longest active streak on the team (Brandon Heath-59) and his 86 career games are the most by a current SDSU player.

The most experienced player on the SDSU roster having logged 86 career games, including 52 straight... One of the most prolific three-point shooters in school history, he ranks 8th in career three-point field goals (87), 11th in three-point field goals attempted (224) and 4th in three-point field goal percentage (38.8)... Originally a walk-on, he has become a regular in the rotation and last season made 20 starts... Always a solid ball-handler (he averages one turnover every 22.4 minutes for his career) and has recorded more three-point field goals than turnovers in each of his first three seasons... Possesses the ability to play either guard position and may be the most solid perimeter defender on the team... Continues to improve his ability to break down defenses and get to the basket... His 86 career Aztec games are 16 more than any other player on the SDSU squad.

As A Junior (2004-05 Season)

MWC Rankings: 11th in three-point field goal percentage, 14th in steals, 15th in three-point field goals made

One of five Aztec players to see action in all 29 games last season... Made 20 starts, the fourth highest total on the squad, trailing only Brandon Heath (28), Marcus Slaughter (27) and Mohamed Camara (21)... Led the team in three-point field goal percentage (36.8 percent) and although he did not qualify, would have led the team in free throw percentage at 90.9 percent (20-of-22)... Coupled with his team-high 40.0 percent three-point field goal percentage last season, Sharper joins Tony Ross and Al Faux as the only players in school history to lead the team in that category in consecutive seasons... Logged the third most minutes on the team (behind Heath and Slaughter) and ranked 2nd in assists (38), 2nd in three-point field goals (43), 3rd in steals (33), 4th in scoring (177 points/6.1 ppg) and 4th in rebounding (98 rebounds/3.4 rpg)... His efforts rank on the single-season three-point charts: 13th in percentage (36.8), 14th in makes (43) and 18th in attempts (117)... He now owns two of the top 13 single-season three-point field goal percentage seasons in school history (11th in 2003-04 and 13th in 2004-05)... The only other Aztecs that can make that claim are Tony Ross and Al Faux... Has 24 career multiple-trey games, including 12 during the 2004-05 season... In his career, when Sharper makes two or more treys in a game, SDSU is 13-11 and the Aztecs are 5-1 when he makes three three-pointers or more in a game... Since the beginning of the 2002-03 season, SDSU is 12-11 when Sharper connects on at least two three-pointers and 13-23 when he does not reach two treys... Produced five double-digit scoring games during the season after failing to score 10 or more points in his first two seasons... Had no double-digit scoring games in first 60 collegiate games but has reached 10 or more points five times in the last 25 games... Made a three-point field goal in 26 of 29 games and never went consecutive games without a trey... Three-point field goal breakdown by games: 3 - five games, 2 - seven games, 1 - 14

Marcus Slaughter

▸ Has initiated team involvement in the community, particularly in the area of speaking to grade-school children.

▸ Teamed with Brandon Heath and Matt Thomas to claim the 2004 Pro City championship in Los Angeles. The summer league, formerly known as the Say No Classic, featured 20 teams.

▸ Marcus Slaughter and Brandon Heath personalized their own Nike Air Hurrache 2K5 basketball shoes. The duo designed different shoes for the 2005-06 season.

Selected by the media as the preseason Mountain West Conference Player of the Year at media day and near unanimous player of the year by the preseason magazines... Warrants consideration for national accolades... Enjoyed a tremendous sophomore season to make himself one of the premier players, not only in the Mountain West Conference, but on the entire West Coast... A special player who exploded last season after a solid freshman campaign... Can play at both forward positions... Probably the most improved player in the conference last season, he showed amazing consistency to perform at a high level throughout the campaign... Could be the toughest match-up on the team as he is too quick for most big forwards and too strong for smaller forwards... Is as good as any player in the league at scoring off the offensive glass... Will contend for the title of best rebounder in the league... Joins teammate Brandon Heath as the first Aztec players to be named to either the first or second all-conference team and return the following season since the 1997-98 team featured a returning all-conference performer (Jason Richey) and the first time SDSU has had two returning all-conference performers in the Division I era.

As A Sophomore (2004-05 Season)

NCAA Rankings: 34th in rebounding, 6th leading sophomore rebounder

MWC Rankings: 2nd in rebounding, 2nd in offensive rebounding, 4th in defensive rebounding, 5th in scoring, 6th in steals, 8th in blocked shots

A second-team all-Mountain West Conference selection as announced by the league and as voted upon by the coaches and the media... Was the top vote-getter among the second team members and the top vote-getter among players returning in 2005-06 (of the five people in front of him, four were seniors and the other was the top pick in the NBA Draft, Andrew Bogut of Utah)... Named to the 2005 MWC all-tournament team after averaging 23.5 points, 9.0 rebounds and connecting on 59.3 percent from the field during the conference tournament... Was the only player on the five-member team to not play in the championship game... Finished the season ranked 34th nationally in rebounds at 9.0 and was 6th among the sophomore class (trailing only Bogut (Utah), Paul Milsap (Louisiana Tech), Nick Fazekas (Nevada), Caleb Green (Oral Roberts) and Brandon Bass (LSU))... Ranked among the Mountain West Conference leaders in six categories: rebounding (2nd), offensive rebounding (2nd), defensive rebounding (4th), scoring (5th), steals (6th) and blocked shots (8th)... Produced one of the greatest seasons by an Aztec sophomore in school history... Made an appearance on nearly every SDSU Division I single-season list including 4th in free throws (141), 5th in free throws attempted (202), 7th in points-

Became the third player in school history and the first non-senior to record at least 475 points, 200 rebounds, 30 steals and 30 blocked shots in a single season, joining Michael Cage (1983-84) and Aerick Sanders (2003-04)... Played in 27 of SDSU's 29 games, missing the final two regular season games (Feb. 28 vs. Air Force and March 5 at Utah) due to a sprained big toe on his right foot he suffered during the Feb. 26 game vs. New Mexico... Started all 27 games in which he played and ended the season having started the last 44 games in which he has played... Led the team in rebounding (9.0) and blocked shots (30) and was 2nd on the squad in scoring (17.8), minutes played (34.1) and steals (37)... Had more rebounds (242) than the total of the 2nd and 3rd leading rebounders on the squad combined (211)... The model of consistency, he scored in double figures in all 27 games he played in (never scored in double figures in three straight games prior to the season) and 34 in his career... Tied the school's sophomore class record by posting 10 double-doubles, matching Michael Cage and Eddy Gordon... That number places him in a tie for 7th on the single-season double-doubles chart in school history... Led the Aztecs in scoring 12 times, after doing so just once as a freshman... Also posted team-high honors in rebounding a team-best 21 times and twice in assists... Produced a team-high tying 27 double-figure scoring games and had eight 20-point performances... Had 10 double-figure rebound games... Connected on 49.8 percent of his two-point field goal attempts on the season (156-of-313)... Scored 15 or more points in 22 of the 27 games in which he played... Led the team in efficiency points (492)... Produced one of the most impressive hockey plus/minus ratings on the team... In the 922 minutes he was on the court, SDSU was outscored by eight points, while in the 258 minutes he was on the bench the Aztecs were outscored by 65 points... The trend held true during MWC games as well as SDSU was outscored by 25 points in the 401 minutes he was in the game and the Aztecs were outscored by 66 points in the 174 minutes he was off the court... Had a personal hockey plus/minus record of 16-10-1 (61.1 percent) (meaning SDSU outscored its opponent when Slaughter was on the court 16 times and was outscored 10 times with one draw) was the highest among SDSU regulars... By contrast, SDSU was 11-16 in those games, with Slaughter owning a record five and one-half games better than the team... Pulled down 95 rebounds in his last 10 games (9.5 rpg)... Shot 14 free throws in a game four times in 2004-05 and has attempted at least 10 on eight different occasions... Nearly tripled his freshman season free throw attempt total of 76 after he attempted 202... Surpassed the 500 career-points mark in his 45th career game with his 17 points in the Jan. 15th win at UNLV... Had a streak of at least one three-point field goal in five straight games in which he went 7-for-16 (.438) after making only eight during his entire freshman year... Performed exceptionally well down the stretch in close games as he was 14-of-26 (53.8 percent) from the field and 20-of-22 (90.9 percent) from the free throw line and pulled down an amazing 36.8 percent of SDSU's rebounds in the final five minutes of the 15 games that were a one possession contest with five minutes or less remaining... San Diego State was 5-3 when he recorded an efficiency rating of +20 or better (Aztecs were 6-15 in other games)... In the season opener against UC Santa Barbara (11-19-04), scored a career-high 28 points on 8-of-16 shooting, including 12-of-14 from the charity stripe, pulled down 13 rebounds and recorded four steals in a career-high 41 minutes played...
