11TH NOVEMBER 2026

🥳 Opening of our new Play Area 🥳

On Monday morning we had a fantastic opening ceremony for our new play area. The sun shone down on MAPS and a great crowd turned out for this very special and historic day in the school's history. Our girls got to run onto the play area for the first time to cheers and music. Flags waved and there was laughter and smiles everywhere. It was such a special moment to see our whole school taking part in their first PE activities on the play area - the first of many more to come! This is a wonderful addition to our school and a superb, state of the art resource which will benefit each and every child in our school. A huge thank you to all the parent body, past and present for your fundraising over the years which has made this possible. Please see our website for further information on the Opening Ceremony and some photos of the day.

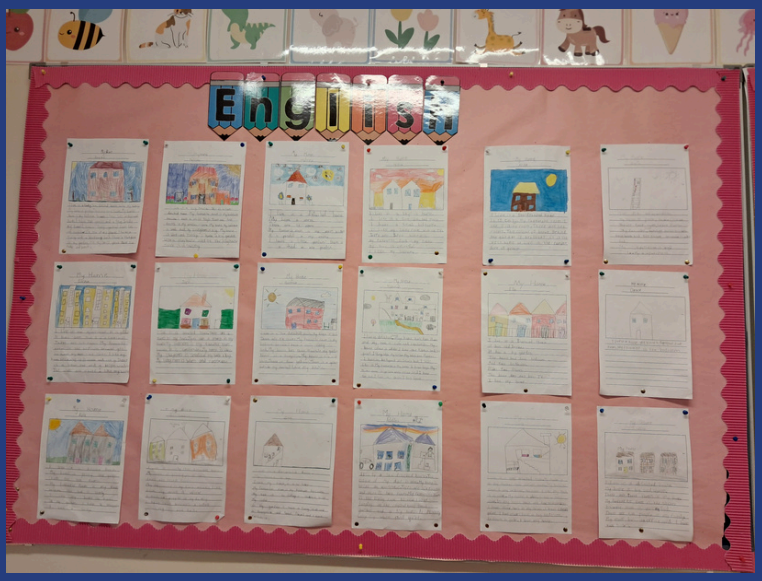
🏠 All about the House 🏠

I had the pleasure of chatting with Ms McTigue's class about what they have been learning. First Class have been working hard as they explore the topic of houses and homes. It has been great to hear them discussing the types of homes we live in and discovering how each of our homes are different. The girls wrote about their own house and created beautiful, colourful towns inspired by the artist James Rizzi. They are now starting to design and plan a piece about their dream homes! Keep up the great work girls!



❣️ In November, We Remember ❣️

During the month of November, we remember all those who are no longer with us. All classes will be adding leaves to our Wish Tree with the names of those special, loved ones who have passed on. This is a lovely way to honour their memory and on display in our reception area.

🚸 Child Safeguarding 🚸

If you have concerns of a Child Safeguarding nature, please contact Sinéad Sharkey who is the Designated Liaison Person (DLP) and deals with all child protection concerns in the first instance.
