P&C and School to collaborate Claudi Flick Annelyse	**P&C Storage** • The current P&C storage situation was emphasised as a priority issue for 2026. Concerns were raised regarding the safety and stability of the existing storage container, and photographs were tabled illustrating the precarious condition. Members agreed that the situation requires improvement. • It was noted that, subject to the school's approval, the P&C may need to consider funding storage upgrades if this is the only viable pathway to resolving the issue. • The P&C will liaise with the school regarding options, with further discussion and updates to be provided at the March P&C meeting	In progress
P&C and School to collaborate Gen Murray Eve Jenkins Tal Mitchell	**Sun Safe Policy** • Gen is keen to help strengthen the school's sun safety policy, noting that while hats and shade structures are well embedded, there is an opportunity to adopt a more holistic sunscreen strategy. • The school noted that a current sun safety policy is in place, and sunscreen is routinely made available at school events and sporting activities. • Members discussed reviewing and refreshing the existing policy to ensure it aligns with current expectations and best practice, including consideration of making sunscreen available within classrooms. • Refer to the proposal document at Attachment 5.6 for further detail From February minutes. The P&C Health and Wellbeing Subcommittee, largely comprising medical professionals, has also offered their assistance in developing the policy. Thank you for your consideration of this important issue."
