Your Child's Digital Learning Journey: The Eduvolve Student Bundle

Welcome to the 1:1 student device programme! We know that investing in a device for your child's education is a significant milestone. That is why Eduvolve has partnered with your school to provide a complete, stress free digital learning package.

We don't just supply a laptop; we provide a fully managed, secure, and protected educational tool designed to last your child's entire school journey.

Below is everything included in your school's exclusive ASUS Student Bundle.

We have carefully selected this premium 2-in-1 laptop engineered specifically to withstand the daily realities of student life.

- **Classroom Tough:** Spill resistant keyboard and military grade rubber bumpers help survive drops.
- **Versatile 2-in-1:** 12.2" Gorilla Glass touchscreen flips seamlessly from laptop to tablet.
- **Garaged Stylus:** Built in digital pen charges inside the device so it is less likely to be lost or left behind.
- **All Day Battery:** Reliable power to last the entire school day on a single charge.
- **Maximum Protection:** Every device comes fitted with a heavy duty protective case featuring shock absorbing edges and reinforced corners to defend against schoolbag wear and tear.

Frequently Asked Questions

"Can we use a laptop we already own?"

To ensure every student has the same secure software, safety apps, and classroom experience, all students must use this specific school approved device.

"What happens if it breaks?"

Your bundle covers you! We include a 5 Year Warranty with accidental damage cover. Just contact our dedicated support team in Galway.

"When will the device be delivered?"

Devices are shipped directly to the school, usually in the first term, and ahead of a digital learning readiness workshop with the Eduvolve team - where we get students set up using their new laptops.

Student Bundle Price: €689

This includes the 2-in-1 ASUS Education Laptop with digital pen, protective case (paid for by Coláiste an Eachréidh), device set up & configuration, education software, device management, delivery, dedicated parent support centre, 5 Year Warranty with 5 Year Accidental Damage Cover.
