REV. B

INSTRUCTION SHEET

INSTALLATION INSTRUCTIONS FOR SPROCKET

Use the thrust plate supplied with this sprocket and discard the original. To ensure proper timing, align arrows on the sprockets toward each other. Dots on the sprockets will then align with colored links on the chain.

Ⓑ

INSTRUCTIVO

INSTRUCCIONES DE INSTALACION PARA LA CATARINA

Emplear la placa de empuje proporcionada con esta catarina y desechar la original. Para garantizar el adecuado tiempo, alinear las flechas en la catarina frente a frente. Los puntos en las catarinas se alinearan posteriormente con los eslabones coloreados en la cadena.
