STATE OF MINNESOTA

BOARD OF TEACHING

STATEMENT OF NEED AND REASONABLENESS

Concerning the Proposed Adoption of a Rule Governing Local Committees in School District Consortia, Minnesota Rule, Part 8700.1910.

The statutory authority of the Board of Teaching to adopt the proposed rule is set forth in Minnesota Statutes, Section 125.05, subd. 1 and 125.185, subd. 4.

RULE AS PROPOSED

This rule is needed to provide the opportunity for employees of school district consortia, such as special education cooperatives, educational cooperative service units, and education districts, to establish local committees for the purpose of providing recommendations for the renewal of teaching licenses. In the absence of this rule, such employees are required to affiliate with local committees in school districts where they were last employed, or local committees of school districts in which they currently reside. This presents a hardship for employees of such consortia. It is reasonable to expect that they be afforded the same opportunity as employees of Minnesota public school districts for fair representation and objective evaluation of requests for renewal of their licenses.

A Statement of Need and Reasonableness that describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule has been prepared and is available from Kenneth L. Peatross, Executive Secretary, Minnesota Board of Teaching, 608 Capitol Square, 550 Cedar Street, St. Paul, MN 55101, upon request.

If no hearing is required, upon adoption of the rule, the rule and the required supporting documents will be submitted to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adopted rule, must submit the written request to Kenneth L. Peatross, Minnesota Board of Teaching, 608 Capitol Square, 550 Cedar Street, St. Paul, MN 55101.

STATE OF MINNESOTA

BOARD OF TEACHING

In the matter of the Proposed Adoption of a Permanent Rule of the State Board of Teaching Relating to Local Committees in School District Consortia

FINDINGS OF FACT, CONCLUSIONS AND ORDER ADOPTING RULES WITHOUT A PUBLIC HEARING

Notice of the Board's intent to adopt the above-entitled rule was published in the State Register on April 24, 1989, and was sent by United States Mail to all persons on the list maintained by the agency pursuant to Minnesota Statutes, section 14.14, subdivision 1a and 14.22 on April 24, 1989.

The statement of need and reasonableness was prepared before the notice of intent to adopt a rule without a public hearing was mailed to all persons on the rulemaking list and published in the State Register and was available to the public.

All persons were given the opportunity to submit comment on the rule for 30 days after the notice of proposed rulemaking. The agency received one request for a public hearing. Therefore, the agency did not receive request for a public hearing from 25 or more persons which were not withdrawn.

No requests for notice of submission to the attorney general were received by the agency.

Based on the comments and evidence in the record before the agency, the Board of Teaching finds the following:

The above-captioned rule is needed and reasonable.

NOW THEREFORE, IT IS ORDERED that the rule identified as Part 8700.1910 Local Committees in School District Consortia is adopted this 29th day of June, 1989, pursuant to authority vested in the Board by Minnesota Statutes, sections 125.05, subd. 1, and 125.185, subd. 4.
