*Prepared by Medway Department of Public Services and the office of the Medway Planning and Economic Development Board*

*** UNDER CONSTRUCTION - Not Completed**

**** APPROVED - Not Yet Built**

***** Street Acceptance voted at May 2018 Town Meeting but paperwork not yet complete for conveyance.**

NOTE - Unaccepted streets are those which were planned and permitted as part of an approved definitive subdivision plan with the intention that they would ultimately by accepted by the Town as public ways. Roads must be officially "laid out" by vote of the Board of Selectmen. Street acceptance must be voted on by Town Meeting and then the necessary paperwork prepared and recorded with the Norfolk County Registry of Deeds before a road is officially conveyed to the Town.
