TOWN OF HUMBOLDT NEWSLETTER
June 18, 2018

As summer gets into full swing, we are asking all Town residents to "adopt a highway" or at least part of a highway. Grass cutting of the Town ditches will begin soon, so any help would be appreciated in making that task easier. The Town staff ask that you pick up and dispose of any refuse found in the ditches near your homes. If necessary contact a board member for disposal info.
