

COMBINING A RACK AND TRUCK BED COVER HAS NEVER BEEN EASIER

ELEVATE

RACK SYSTEM

LET THE GAMES BEGIN.

Telescoping Rack Detail

That's right, the **ELEVATE RACK SYSTEM by Truck Hero** will help plan your next adventure with ease. Maybe you're a true weekend warrior with a passion for kayaking or biking. Perhaps you're planning your next family vacation to the mountains or lake. Wherever you're going, whatever you're doing, the **ELEVATE RACK SYSTEM by Truck Hero** delivers more storage options and overall cargo space to your pickup truck. Helping ensure your next journey provides maximum fun & adventure.

This one of a kind rack system is comprised of very few parts. Simply choose from one of two rack options: the **ELEVATE FIXED RACK** is a great choice for truck owners looking for a simple yet solid solution to their cargo needs. For those in search of added adjustability and versatility, the **ELEVATE TELESCOPING RACK** fits the bill.

To install your rack, choose the **ELEVATE TS RAILS** that best match the length of your truck bed. Once installed, just slide the rack into the integrated T-Slot channel and you're done.

The added bonus you get when choosing this unique system is the ability to incorporate your favorite **Truck Hero** truck bed cover into the mix. In fact, both **ELEVATE** racks allow for the full functionality of your cover – be it a roll up or folding style. In the end, this means more storage and cargo possibilities than ever imagined. (See compatibility chart on back for more details.)
