Northglenn Dog Bite FAQ

Answers to common questions about dog bite incidents in Northglenn.

Based on Northglenn Dog Bite Lawyer by McCormick and Murphy

Q: What should I do immediately after a dog bite?

A: Seek medical attention right away, even if the bite seems minor. Infections can develop quickly. A medical record created immediately after the incident is critical evidence.

Q: What information should I try to get at the scene?

A: Identify the dog and its owner if possible. Get their contact information and ask about rabies vaccination status.

Q: When should I report a dog bite to Northglenn Animal Control?

A: Report the bite to Northglenn Animal Control if the dog is a stray or the owner cannot be located.

Q: What kind of photos should I take after a dog bite?

A: Take photographs of your injuries and the location where the bite occurred.

Q: Should I talk to witnesses?

A: Yes, get contact information from any witnesses to the dog bite.

Q: Who should I speak to before talking to an insurance company?

A: Contact a dog bite lawyer before speaking to any insurance company.

Q: Why is seeking medical attention so important after a dog bite?

A: Dog bites can cause infections that develop quickly. Immediate medical attention also creates a critical record of your injuries.

Q: Is it important to know if the dog is vaccinated?

A: Yes, it is important to ask about the dog's rabies vaccination status.

Q: What if the dog owner is not cooperative?

A: If the owner cannot be located or is uncooperative, report the bite to Northglenn Animal Control.

Q: Why should I avoid talking to insurance companies right away?

A: The article advises contacting a dog bite lawyer before speaking to any insurance company, implying potential risks in direct communication.
