SUBJECT: Repeal of Rules and Regulations

Enclosed please find an "Order Repealing Rules" signed by Commissioner Hoaglund. With the consent of our Special Assistant Attorney General, Fred Suhler, we are submitting this for your approval and appropriate action. I believe the Order is self explanatory regarding the need to repeal the rules. Eda Staudenmeier of the State's Documents Section also agrees that these rules should be officially repealed.

STATE OF MINNESOTA

COUNTY OF RAMSEY

WALLACE R. HOAGLUND

COMMISSIONER OF PUBLIC SAFETY

In the matter of the proposed repealing of Rules of the Department of Public Safety governing interstate reciprocity in the registration of certain motor vehicles.

ORDER REPEALING RULES

The above captioned rules were originally promulgated and adopted in the early 1950's by the Secretary of State. The rules were never filed properly and have therefore never been published.

The need to repeal these rules arises because of changes made to the statutes governing such reciprocal registration. Minnesota Statutes 1971 Section 168.187 governs interstate registration and reciprocity, and prescribes the responsibilities of the Motor Vehicle Reciprocity Commission as the administrators of this law. Because of these changes, MVD 1-4 the above captioned rules, are now obsolete.

Therefore, the above captioned rules identified as rules and regulations of the Motor Vehicle Division Chapter One: Reciprocity, MVD 1-4 are hereby repealed, effective this 6th day of November, 1973.

CHAPTER ONE - RECIPROCITY

MVD-1. Every owner (or operator) of a truck, tractor or truck-tractor operated interstate and licensed or registered in a state, district, territory or province that requires Minnesota owners (or operators) of a truck, tractor or truck-tractor to pay a motor vehicle privilege tax, license or fee, shall pay a like tax, license, or fee to the state of Minnesota before operating such truck-tractor or truck-tractor upon the streets or highways of Minnesota.

MVD-2. The tax, license, or fee required to be paid the state of Minnesota under the provisions of Rule 1 shall be paid to the Secretary of State in advance of entering the state of Minnesota and upon payment of such tax, license, or fee, the Secretary of State shall issue a receipt and permit therefor, which receipt and permit shall be carried and displayed in the truck, tractor or truck-tractor while the same is in operation within the state of Minnesota.

MVD-3. The rate of tax, license, or fee payment required under Rule 1 shall be as set forth in the agreement of statement of understanding with the state, district, territory or province on file in the office of the Secretary of State and published in a Minnesota reciprocal chart or guide.

MVD-4. If any state, district, territory or province requires a Minnesota owner (or operator) to secure a permit for which no charge is imposed for operating upon the public streets or highways of such state, district, territory, or province, then the Secretary of State of Minnesota may likewise require an owner (or operator) from such state, district, territory or province to obtain a similar permit in Minnesota in such form as may be prescribed by the Secretary of State.
