STATE OF MINNESOTA

DEPARTMENT ATTORNEY GENERAL

Office Memorandum

TO : Michael B. Miller
Special Assistant
Attorney General
Department of Administration

DATE: October 16, 1974

FROM : Richard A. Wexler
Special Assistant
Attorney General
Department of Health

SUBJECT: Submission of Podiatry Registration Renewal Fee Regulation

The 1973 Legislature gave the Minnesota State Board of Podiatry Examiners and Registration (and other state agencies) the authority to " . . . increase the fee for the renewal of a license or certificate a sufficient amount so that the total fees collected by each board will as closely as possible equal anticipated expenditures." Minn. Stat. § 214.06 (1973 Supp.). As the Statement of Need indicates, this Board does not generate enough income under its present fee schedule (Minn. Stat. § 153.04 (1973 Supp.)) to cover its expenses. The Board required a special grant from the Legislative Advisory Committee last fiscal year in order to get through the year.

Section 214.06 requires any increase of fees to be approved by the Commissioner of Administration. This approval was then transferred to the Department of Finance by Minn. Stat. §§ 16A.04 subd. 3 and 16A.07 subd. 4 (1973 Supp.). You will find that Department's approval on the copy of the proposed regulation. An approval after adoption by the Board was not obtained, nor considered necessary, since the regulation was not changed or modified after the public hearing in any way.

Please note that the hearing was held jointly with the Minnesota State Board of Health. (The Board of Health is also adopting fee setting regulations which will be sent to you under separate cover about a month from now.) Consequently, all documents required prior to the public hearing are joint documents. All other documents relate solely to the State Board of Podiatry Examiners and Registration. Further, with respect to the joint pre-hearing documents, only those portions relating directly to the Podiatry Board are hereby forwarded. This relates specifically to the Affidavit of Mailing. The Board of Health mailed copies of the Notice of Hearing to many persons and groups, names and addresses of which were attached as exhibits to the Affidavit. I am forwarding to you, however, only those lists (exhibits) which relate directly to the Podiatry Board. Since we have an extra original copy of the transcript, I will send you a complete copy although only the first 11 pages relate to the Podiatry regulation.

One final item should be brought to your attention. Minn. Stat. § 214.06 (1973 Supp.) states that all health related licensing boards as defined in section 481.01 may increase their fees. Section 481.01 relates to Board of Law Examiners and is an obvious error. This was rectified by Minn. Laws 1974, ch. 406 § 67. Thus, the correct reference is now to the health related licensing boards as defined in section 214.01. The Board of Podiatry is included in the definition.

DEPARTMENT OF FINANCE APPROVAL

JOINT
STATEMENT OF NEED

The above-captioned rules, while being amendments to existing rules of the State Board of Health, are the first rules of said Board relating to fees and effective dates for licenses, permits, registrations, examinations, and services. The regulation of the State Board of Podiatry Examiners and Registration is new.

The need for the State Board of Health to adopt its proposed rules captioned above arises because of Minn. Laws 1974, ch. 471. This law authorizes the State Board of Health to prescribe by regulation reasonable application, examination, issuance and renewal fees for permits, licenses, registrations and certifications issued pursuant to its authority. The expiration and renewal dates thereof shall also be prescribed by regulation

The law becomes effective January 1, 1975. Besides granting the above authority, it deletes as of that date all fees previously established by statute. Failure to promulgate these rules by January 1, 1975, will force the State Board of Health to issue the licenses and other authorizations without payment of a fee. This would cause severe problems

as the funds received from these fees are used to administer the licensing programs. Accordingly, the fees proposed in the rules are necessary for the operation and administration of each subject licensing program or service provided.

The need for the State Board of Podiatry Examiners and Registration to adopt its proposed regulation arises because the fees presently charged registrants fail to provide the necessary funds to administer the registration program. A special grant from the Legislative Advisory Committee was required this past year to enable the Board to pay necessary expenses for the year. Minn. Stat. § 214.06 (1973 Supp.) permits the Board to increase its renewal fee by regulation so that the fees collected will as closely as possible equal anticipated expenditures.

ORDER OF THE BOARD OF PODIATRY ADOPTING RULES

The above-entitled matter came on for hearing before the Minnesota State Board of Podiatry Examiners and Registration on the 19th day of August, 1974, at 9:45 A.M. in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, after proper notice required by Minn. Stat. § 15.0412 (1971) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, and applicable statutory standards or criteria, and having confirmed the need for the above-captioned rules.

NOW, THEREFORE, IT IS ORDERED that these rules identified as POD 1, Podiatrist Renewal Registration Fees, are adopted this 12th day of October, 1974, pursuant to

authority granted by Minn. Stat. § 214.06 (1973 Supp.), and by resolution of the Minnesota State Board of Podiatry Examiners and Registration duly adopted at a meeting of the said Board on the 12th day of October, 1974.

FINDINGS OF FACT
OF THE BOARD
OF PODIATRY

The above-entitled matter came on for hearing before the Minnesota State Board of Podiatry Examiners and Registration (hereinafter "Board") on the 19th day of August, 1974, at 9:45 A.M., in the Board Room in the Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, after proper notice required by Minn. Stat. § 15.0412 (1971) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, the Board makes and enters the following findings:

1. The authority to adopt this regulation is contained in Minn. Stat. § 214.06 (1973 Supp.).

2. The Board's total monetary receipts from all sources is not sufficient to cover all its expenses incurred in the administration of Minn. Stat. Chapter 153.

3. The proposed increase in the renewal registration fee for podiatrists is needed. A special grant from the Legislative Advisory Committee was required during FY 74 to enable the Board to pay necessary expenses. The Board's monetary receipts will continue to fall significantly below the amount required to meet its expenses without the proper increase in fees.

4. The requirement in Minn. Stat. § 214.06 (1973 Supp.) that the proposed fee increase be approved by the Commissioner of Administration was satisfied with the approval of the Commissioner of Finance pursuant to Minn. Stat. §§ 16A.04 subd. 3 and 16.07 subd. 4 (1973 Supp.).

5. The proposed regulation is in keeping with and will help fulfill the policy of the State of Minnesota as expressed in Minn. Stat. § 214.06 (1973 Supp.) by increasing the receipts of the Board to a sufficient amount so that the total fees collected will as closely as possible equal anticipated expenditures.
