

# The ChekOne App Quick Start

The ChekOne, a simple solution to track, inspect and verify.

- ✔ Did my employee/contractor arrive on time?
- ✔ Did they complete assigned tasks?
- ✔ How long did it take?
- ✔ Are they safe?

**1 Getting the App**  
Download the App to your Android Device from the Google Play Store.

Free Google account required.

**2 Setting up your device**  
On your device, go to settings and enable the GPS. Required for the App to run.
