BEFORE THE MINNESOTA

BOARD OF NURSING

In the Matter of Proposed
Amendments Relating to Licensed
Practical Nurse Licensure Fees.

STATEMENT OF NEED

The above-captioned rules are amendments to existing rules of the Board of Nursing. The last time the above-captioned rules were amended was October 24, 1975.

The need to adopt these rules arises in order to bring existing rules in conformance with new legislation. Whereas, Minn. Stat. § 148.291 subd. 4 (1974) specified fees in dollar amounts, the statute was amended in 1975 to delete reference to specified amounts. Minn. Laws 1975, ch. 360, § 16, states that applicants shall pay a "fee of an amount determined by rule by the board so that total fees collected by the Board will as closely as possible equal anticipated expenditures." Similar language is used with regard to re-examination fees. The adoption of these proposed amendments to existing rules is necessary to fulfill this legislative directive.

ORDER ADOPTING RULES

The above-entitled matter came on for hearing before the Minnesota Board of Nursing on the 30th day of July, 1975, at 1:30 P.M., in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, after proper notice required by Minn. Stat. § 15.0412 (1974) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, and applicable statutory standards or criteria, and having confirmed the need for the above-captioned rules.

NOW, THEREFORE, IT IS ORDERED that these rules identified as Minn. Regs. Nsg. L.P.N. 2, 3, 11 and 21 are adopted this 5th day of December, 1975, pursuant to authority vested in me by Minn. Stat. § 148.296 (1974), and by resolution of the Minnesota Board of Nursing duly adopted at a meeting of the said Board on the 2nd day of October, 1975.

In the Matter of the Proposed Amendments Relating to Licensed Practical Nurse Licensure Fees.

FINDINGS OF FACT

The above-entitled matter came on for hearing before the Minnesota Board of Nursing on the 30th day of July, 1975, at 1:30 P.M., in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, after proper notice required by Minn. Stat. § 15.0412 (1974) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose and also upon other persons, associations and groups of which the Board of Nursing was aware of as possibly having an interest in the above-captioned rules.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, the Board makes and enters the following findings:

1. Authority to adopt rules relating to licensed practical nurse licensure fees and re-examination fees for applicants applying for a practical nursing license is contained in Minn. Laws 1975, ch. 360, § 16. This statute states that licensure fees be "an amount determined by rule by the board so that the total fees collected by the board will as closely as possible equal anticipated expenditures." The statute further states that an "applicant applying for re-examination shall

pay a fee of an amount determined in the same manner", that is, by rule.

These amendments are within the legislative grant of authority given to the Board of Nursing regarding fees for licensed practical nurse applicants.

2. There is a need for these amendments to existing rules. Since the legislature has deleted reference to a specific amount ($20.00 for original application, $15.00 for re-examination), the Board must fill this void through rule in order to have sufficient financial resources to operate.

3. New Minn. Regs. Nsg. L.P.N. 2, 11 and 21, all relating to application, specify a fee of $25.00. The Board finds that this dollar amount is necessary to cover the costs incurred in licensure. These costs include personnel, office space, supplies and equipment, printing of forms, postage, telephone, rental of examination space, test services for the nationally standardized examination (booklets, grading, data), shipping of test material, security, and examination proctors.

4. New Minn. Reg. Nsg. L.P.N. 3 relating to examination and re-examination specifies a fee of $15.00. This is the same fee specified in prior statute. The Board finds that no increase in fee is necessary at this time.

5. As no public comments were made at the hearing or letters received regarding these rules prior or subsequent to the hearing, no modifications have been made to the rules as presented at the public hearing.

6. These regulations are in keeping and will help fulfill the policy of state as expressed in Minn. Laws 1975, ch. 360, § 16.

In the Matter of Proposed Amendments to Licensed Practical Nurse Rules: Licensure Fees

DEPARTMENT OF FINANCE APPROVAL

Minn. Stat. § 148.292 subd. 4 (1975) has mandated that licensure fees and re-examination fees for practical nursing applicants "be determined by rule by the board so that total fees collected by the board will as closely as possible equal anticipated expenditures."

The proposed amendments to Minn. Reg. NSG. LPN 2 (a)(3), 2 (b)(3), 11 (a)(5), and 21 (b), a copy of which is attached, would delete the reference to the statutory fee and require a stated twenty-five dollar ($25.00) fee for licensure application by Minnesota program graduates, out-of-state nursing graduates, individuals previously licensed in other United States jurisdictions and foreign educated practical nurses. Proposed Minn. Reg. NSG. LPN 3 (c), a copy of which is attached, would delete the reference to the statutory fees and impose a stated fifteen dollar ($15.00) fee for applicants seeking re-examination.

Upon review of the supporting information justifying the need, reasonableness, and amount of these fees, and pursuant to the authority vested in the Minnesota Department of Finance by Minn. Stat. § 214.06 (1974), Minn. Stat. §§ 16A.04 subd. 3 and 16A.07 subd. 4 (1974), the fees proposed in the above amendments to the Licensed Practical Nurse rules are hereby approved.

Licensure

Proposed Amendments to Licensed Practical Nurse Rules: Fees
6/5/75

Proposed Change	Rationale
CHAPTER ONE: NURSING LPN 1-9 LICENSURE: INDIVIDUAL NOT PREVIOUSLY LICENSED	
NSG. LPN 2 APPLICATION	
The application forms and instructions for filing are provided by the Board. The application shall be submitted to the Board in advance of the published deadline for the desired examination date.	In accordance with Minnesota Statutes 148.291 Subdivision 4 (1975) the Board may set fees for licensure and re-examination so that total fees collected by the Board will as closely as possible equal anticipated expenditures. The Board of Nursing receives authorization from the legislature for a specific level of expenditures for the combined activities of the Minnesota Board of Nursing and Minnesota Board of Licensed Practical Nursing. The approved levels for the upcoming biennium, exclusive of nursing grants-in-aid is: FY 76 $357,553 FY 77 $363,200 These approved levels do not include anticipated salary adjustments for cost-of-living increases or length-of-service. Nor does it include expenditures necessary to implement continuing education legislation for Registered Nurses (H.F. 784) passed this session.
(a) An application for licensure by examination from a student or graduate of a Minnesota program shall consist of: (1) the notarized application form, (2) the recommendation from the nursing program director, and (3) the ~~statutory fee~~ of $25.	A licensure fee of $25 instead of the current $20 proposed to cover the costs incurred in licensure. These costs include personnel, office space, supplies and equipment, printing, postage, telephone, rental of examination space (Mpls. Auditorium or St. Paul Civic Center), test services for the nationally standardized examination (booklets, grading, data), shipping of test material (Mpls. - New York), security moving of test materials in Mpls., exam proctors, and a small portion of Board members' time.
Following graduation, whether this occurs before or after the examination, the applicant must also submit an affidavit of graduation (notarized) and an official transcript.	
(b) A completed application from an out-of-state graduate shall consist of: (1) the notarized application, (2) the recommendation from the nursing program director, (3) the ~~statutory fee~~ of $25, (4) the affidavit of graduation and (5) the official school transcript.	
(c) The Board will schedule the applicant to write the first examination available after application is completed within the constraints of space, expense, personnel and time.	An estimated receipts and expenditure detail may be found on subsequent pages.

Proposed Change	Rationale
NSG. LPN 3 EXAMINATION AND RE-EXAMINATION The licensure examination may be prepared by the Minnesota Board of Nursing or by others delegated to do so by the Minnesota Board of Nursing. (a) The passing score for each form of the Minnesota licensure examination shall be determined by the Minnesota Board of Nursing. (b) Prior to the examination date each accepted candidate will be sent an admission card which will be presented by the applicant for admission to the examination center. (c) The ~~statutory re-examination~~ fee for re-examination shall be $15 and is required for ~~applies to~~ each re-examination. (d) An applicant must pass the examination in not more than three writings within an 18 month period. The applicant who fails more than three writings must submit evidence to the Board of remedial assistance before being admitted to each subsequent examination. Such re-examination may be repeated at subsequent testing periods until the passing score is attained.	This change is needed to transfer the re-examination fee from the statute to rules in accord with Minnesota Statutes 148.291 Subdivision 4 (1975). No increase is needed at this time.
CHAPTER TWO: NURSING LPN 10-19 LICENSURE: INDIVIDUAL PREVIOUSLY LICENSED IN ANOTHER U.S. JURISDICTION

The record will remain open for receipt of briefs or other written material relative to the proposed rules for twenty (20) days subsequent to the public hearing.

It is suggested that to save time and avoid duplication, those organizations or associations having a common viewpoint or interest in these proceedings join together where possible and present a single statement in behalf of such interests.
