STATEMENT OF NEED

The above-captioned rules are amendments to existing rules of the State Board of Medical Examiners. The last time the above-captioned rules were amended was December 28, 1971.

The need to adopt these rules arises because of various statutory changes which have been enacted in recent years.

The most notable of these statutory changes are those which:

Define "drugs", "narcotics" and "chemicals" (Minn. Stat. ch. 152);

Eliminate the certificate of registration in the basic sciences (Minn. Laws 1974, ch. 224);

Limit the types of licensure examinations which can be recognized (Minn. Laws 1975, ch. 93);

Eliminate any reference to masseurs and masseuses, since the Board no longer registers such individuals (Minn. Laws 1974, ch. 62); and

Provides that license renewal fees may be fixed by rule of this Board (Minn. Laws 1975, ch. 233).

The Board's rules have been amended to conform with these statutory changes.

STATE BOARD OF MEDICAL EXAMINERS

In the Matter of the Proposed Adoption of Amendments to Rules of the State Board of Medical Examiners.

FINDINGS OF FACT

The above-entitled matter came on for hearing before the Minnesota State Board of Medical Examiners on the 15th day of November, 1975, at 11:00 A.M., in Suite 203, Minnesota State Bank Building, 200 South Robert Street, St. Paul, Minnesota 55107, after proper notice required by Minn. Stat. § 15.0412 (1974) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, the Board makes and enters the following findings:

1. The authority to adopt these regulations is contained in Minn. Stat. § 147.01 (1974); Minn. Laws 1975, ch. 380, § 2; Minn. Laws 1975, ch. 233 and Minn. Stat. § 319A.18 (1974).

2. A need exists to amend the regulations of the Board of Medical Examiners to:

(a) Make the rule consistent with a recent state statute regulating controlled substances, contained in Minn. Stat. ch. 152;

(b) Eliminate the need for a certificate of registration in the basic sciences, since such certificate was repealed by Minn. Laws 1975, ch. 224;

(c) Make the rules consistent with the recent statutory amendment contained in Minn. Laws 1975, ch. 93;

(d) Update the rules relative to professional corporations to conform with amendments that have been made to Minn. Stat. ch. 319A.

3. It is necessary to update the definitions contained in Rule ME 1 from time to time to be consistent with statutory changes. The terms "drugs", "narcotics" and "chemicals" are now defined in Minn. Stat. ch. 152. Accordingly, this rule has been amended to be consistent with that statute.

4. The Minnesota Statute dealing with the Certificate of Registration in the basic sciences was repealed by Minn. Laws 1974, ch. 324. Rule ME 2(b)(3) in its present form requires that such a certificate be furnished with an application for medical licensure. Since that requirement is now obsolete it is hereby found that the proposed amendment is necessary to eliminate the requirement.

5. Minn. Laws 1975, ch. 93 requires that an applicant for licensure must pass an examination prepared and graded by either of the Federation of State Medical Boards or the National Board of Medical Examiners. The amendment to Rule ME 2(c) is found to be necessary to be consistent with that statute.

6. Since Rule ME 3(a) deals with an examination prepared and graded by this Board, it is found to be necessary to repeal this rule in view of the statutory amendments cited in the above paragraph. Rule ME 3(c) is amended to require a weighted average grade of 75 in either examination. It is hereby found to be reasonable to eliminate the requirement that one who falls below a grade of 75 in more than two subjects must retake the entire examination. A weighted average grade of 75 is deemed to be sufficient to insure adequate knowledge of the subjects covered.

7. Rule ME 4 deals with licensure by reciprocity and currently requires that an applicant have a certificate of registration in the basic sciences. Due to the statutory change cited in paragraph 4 eliminating the Certificate of Registration in the basic sciences, this amendment is found to be necessary to be consistent with the present statutes. Likewise, the amendments to Rules ME 5(b)(1), 6(b)(8), 7(a)(1) and 8(b)(3) are all

necessary to eliminate the requirement of the Certificate of Registration in the basic sciences.

8. ME 5(a) permits an individual to be registered by endorsement, without written examination, if that applicant is: (1) a diplomat of the National Board of Medical Examiners; (2) a diplomat of the National Board of Examiners for Osteopathic Physicians and Surgeons; or (3) has passed a licensing examination given by the appropriate Board or agency of any state or county which the Board may determine to be acceptable. The rule thus went beyond the Board's authority in that Minn. Stat. § 147.03 (1974) does not permit licensure by endorsement of someone who has only passed the licensing examination of a foreign country. Therefore, this rule is found necessary to conform with the language of the statute.

9. Rule ME 7(a)(8) is amended to eliminate the necessity for a certificate by the Educational Counsel for Foreign Medical Graduates as a prerequisite for licensure if the applicant has successfully completed the licensure examination prepared and graded by the Federation of State Medical Boards of the United States. The Board finds that successful completion of the Federation Examination is sufficient indicia of competence.

10. Rule ME 8(c) is amended to be consistent with the statutory change created by Minn. Laws 1975, ch. 93. As such, it is found to be both reasonable and necessary.

11. Rule ME 10 as currently written deals with masseurs and masseuses. Since the responsibility of this Board for registration of those persons has been eliminated by Minn. Laws 1974, ch. 62, it is necessary to repeal the entire rule. In its place, a new rule is adopted fixing the annual registration fee for physicians at $20. Minn. Laws 1975, ch. 233 gives the Board the authority to fix, by rule, the annual registration fee.

12. The statute dealing with professional corporations was substantially revised by Minn. Laws 1973, ch. 40. The amendments to Rules ME 31, 32 and 33 are designed to conform with the statute, and are therefore both reasonable and necessary.

13. Numerous changes have been made in the numbering of the regulations. These changes are found to be necessary to preserve the order of the rules.

14. Other provisions of the rules not specifically referred to herein are found to be supported by the evidence.

15. No members of the public attended the hearing. Likewise, no written suggestions were received by the Board from any member of the public.

16. The rules as adopted will assure that the policies of Minn. Stat. ch. 147 and ch. 319A will be fulfilled. Regulation of the licensee will help to insure that the public is protected through the licensing of those individuals who can practice medicine only with a reasonable degree of skill and safety to their patients.
