The NYCDOE on behalf of the Division of Teaching and Learning is seeking proposals from organizations and individuals experienced in providing math-related services and professional development, which will result in high quality implementation of comprehensive the Next Generation Math Learning Standard (NGMLS) aligned mathematics instruction to all students Pre-Kindergarten to Grade 12. The goal is to

provide support to schools, districts, boroughs, and central offices as needed and as appropriate to support the implementation of the NGMLS and the aligned resources needed to improve student achievement as measured by the NGMLS-aligned NYS assessments. Professional development offerings should include specific support for schools and teachers as related to the NGMLS implementation such as conceptual understanding, procedural fluency, problem solving, communication, etc. A key component is the efficient and effective use of data to inform instructional practices and the use of resources.

There are three (3) components to this solicitation. Proposers may address any or all components listed below. While there are three (3) separate components, all are tightly integrated and a strong proposal for any one of these components must be able to integrate with the other components to achieve overall coherence for NYCDOE math-related services and professional development.

Component 1 - Mathematics Professional Development

Component 2 - Mathematics Consultants/Coaches

Component 3 - Direct Services to Students

Questions regarding this solicitation should be addressed to ISPSupport@schools.nyc.gov.
