COMMISSIONER OF PUBLIC WELFARE

In the Matter of the Proposed Adoption of Rule 161 of the Minnesota Department of Public Welfare Relating to the Administration of Interstate Placement of Children

STATEMENT OF NEED

The above captioned Rule is a new administrative rule of the Minnesota Department of Public Welfare.

The rule governs the administration and provision for the interstate placement of children in foster care. This rule is being promulgated because Minnesota law requires the consent of the commissioner of public welfare before a child may enter or leave the state for the purpose of placement in foster care.

The need to adopt this rule arises to ensure that adequate protection and planning is provided for the child, and to assure that the placement arrangement has been approved by an individual legally responsible for the child. This rule implements statutory provisions by defining applicable placement facilities; requiring that the need for such placement be demonstrated as a benefit to the child; providing for identifying information; and identifying the authority requesting the child's placement.

STATE DEPARTMENT OF PUBLIC WELFARE

In the Matter of the Proposed Adoption of Rule 161 Relating to the Administration of Interstate Placement of Children for Foster Care

FINDINGS OF FACT

The above-entitled matter came on for hearing before the Minnesota State Department of Public Welfare on the 15th day of December, 1975, at 9:25 A.M. in the Auditorium of the State Office Building, Wabasha Street, St. Paul, Minnesota 55155, after proper notice required by Minn. Stat. Section 15.0412 (1975 Supp.) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, the Department makes and enters the following findings:

1. Authority to adopt the regulation establishing standards for the Interstate Placement of Children for Foster Care is contained in Minn. Stat. 257.05 and Minn. Stat. 393.07.

2. Written comment was received concerning Section (II)(b)(1)(A) that the excluded relatives be specified within the document.

The written comment recommending the need to specify the "excluded relatives" in Rule did point out the need for further clarity with regard to Section (II)(b)(1)(A) which read, "The Commissioner's consent must be obtained for children either entering or leaving the state for the purpose of placement in foster care, except when placed by certain excluded relatives." The Commissioner has added a clarifying phrase to Section (II)(b)(1)(A) in response to the written comment. Section (II)(b)(1)(A) will read: "The Commissioner's consent must be obtained for children entering or leaving the state for the purpose of placement in foster care, except for placements made by certain relatives or guardians under conditions prescribed in statute."

The excluded relatives and conditions for placement in Minnesota are provided in Minnesota Statutes 257.05, Subd. 2. The child's parent or guardian are excluded from provisions on sending a child out of the state in Minnesota Statutes 257.06. With such exclusions specifically identified in statutes, the Commissioner does not consider it necessary or appropriate to restate the conditions in Rule.

3. Written comment was received concerning Section (II)(b)(1)(B) recommending that two additions should be considered. The suggested recommendations are: "that there is an approved plan for meeting the maintenance and medical needs of the child while in placement" and "some mention of the procedures to follow for securing necessary approval for surgery or medical care while in placement."

The Commissioner agrees with the need for changes to insure adequate planning and protection for children entering or leaving the State of Minnesota for the purpose of placement in foster care. In response to the written comment concerning Section (II)(b)(1)(B), Section (II)(b)(1)(C) is added and reads: "Those seeking to place a child shall furnish the Commissioner such supporting or additional information, consents or guarantees as the Commissioner may deem necessary to protect the child."

4. Written comment was received protesting the initiation of this rule-making process prior to January 1, 1976.

Nothing in the Administrative Procedures Act prohibits the initiation of the rule making process prior to January 1, 1976. Indeed, amendments to the Administrative Procedures Act, effective July 1, 1975, place an affirmative obligation on Minnesota Department of Public Welfare to promulgate rules as quickly as possible in order to comply with the expanded definition of "rule" presently contained in the law.

5. Other provisions of the regulations not specifically referred to herein are found to be reasonable and necessary to insure adequate planning and protection for the child and supported by the transcript.

After affording interested persons an opportunity to present written and oral data, statements and arguments, having heard all of the testimony, having considered all of the evidence adduced and upon the records, files and proceedings herein, and applicable statutory standards of criteria, and having confirmed the need for the above-captioned rule;
