- Veterinary Rules governing the Licensure Application fees and Renewal fees.

ADMIN 1000

STATE OF MINNESOTA

DEPARTMENT ~~ATTORNEY GENERAL-HEALTH~~ **Office Memorandum**

TO : Michael Miller
Special Assistant
Attorney General
Department of Administration

DATE: July 25, 1977

FROM : Terry P. O'Brien
Special Assistant
Attorney General

PHONE:

SUBJECT: Veterinary Rules

Enclosed for your review are three files containing documents in support of the above-referenced rules. The rules were non-controversial, and no member of the public appeared at the public hearing. However, inasmuch as the hearing for these rules was held in August of 1976, the rules have been in the promulgation process for a long period of time. This lapse was as a result of the Board's considered decision to delay the effective date of the rules so as not to charge the higher fees to examinees who had made application this summer.

If you have any questions, please do not hesitate to contact me. Thank you.

VEB 7

Application Fees

(a) Every person applying for a license to practice veterinary medicine in this state shall submit to the Board of Veterinary Medicine a fee of $100.00 in the form of a check or money order payable to the State Treasurer.

(b) The application fee required to be submitted for licensure shall not be returnable in the event permission to take the licensure examination is denied or licensure is denied or any other cause.

(c) The application fee received shall support only the application with which the fee was submitted. Any person who applies more than once shall submit the full application fee with each subsequent application.

VEB 8: RENEWAL FEES

(a) Each person now licensed to practice veterinary medicine in this state, or who shall become licensed by the Board of Veterinary Medicine to engage in the practice shall be responsible for tendering an annual renewal registration fee if he wishes to practice veterinary medicine in the coming year, and/or remain licensed as a veterinarian.

(b) Each licensee shall renew his license on or before March 1 of each year and thereupon the license of such veterinarian shall be renewed until March 1 in the next succeeding year.

(c) The annual fee for renewal registration shall be $10.00 and shall be paid to the secretary of the board on or before March 1 of each year. By January 1 of the year for which the renewal fee is due, the Board will issue a renewal application to each current licensee to the last address maintained in the Board file. Failure to receive such notice shall not relieve the licensee of his obligation to pay renewal fees in such a manner that they are received by the Board on or before the renewal date of March 1.

(d) An applicant for renewal shall pay a late penalty of $10.00 as well as the renewal fee if the application for renewal is postmarked after March 1 of the current year.

A renewed license issued after May 1 of any year shall be valid only until March 1 of the next succeeding year regardless of when the renewal fee is received.

(e) The failure of a licensed veterinarian to pay the registration fee provided herein within 60 days after March 1 in any year shall constitute grounds to suspend his license to practice veterinary medicine in this state. A license may be re-issued following suspension only upon payment of renewal fees and late penalty fees for each year or portion of a year during which the veterinarian practiced and was not currently registered.

(f) Any licensee who fails to renew his license for a period of five years or more must re-take the examination required for non-licensed applicants and tender all fees required for original licensure upon his written application to become actively re-registered.

CERTIFICATE OF BOARD'S

ADOPTION OF RULES RESOLUTION

I, Glen H. Nelson, D.V.M., do hereby certify that I am the Executive Secretary of the Minnesota Board of Veterinary Medical Examiners, a board duly authorized under the laws of the State of Minnesota, and that the following is a true, complete, and correct copy of a resolution adopted at a meeting of the said Board of Veterinary Medical Examiners duly and properly called and held on the 7th day of June, 1977; that a quorum was present at said meeting; that a majority of those present voted for the resolution; that said resolution is set forth in the minutes of said meeting and has not been rescinded or modified.

RESOLVED, that the rules relating to licensure application fees and renewal fees identified as Minn. Regs. VEB 7 and 8 which were considered at a public hearing held on the 3rd day of August, 1976, are found to be reasonable, necessary and supported by the evidence contained in the record, and are hereby approved and adopted, pursuant to authority vested in the State Board of Veterinary Medical Examiners by Minn. Stat. §§ 214.06, 156.01, 156.02, 156.03, 156.07 and Minn. Stat. § 156.071 (1976), and that Glen Nelson, D.V.M., Executive Secretary of the Board, be and hereby is authorized to sign an order adopting those rules.

BE IT FURTHER RESOLVED that the Report of Hearing Examiner relating to this matter be and hereby is expressly adopted by the Board as its own with the following change: Delete the last two sentences of Finding of Fact number 13 in the REPORT OF THE HEARING EXAMINER regarding VEB 8(f) and substitute the following:

> Since the discretionary authority of the Board to refuse to permit the taking of an examination is controlled by statute, no restatement of all requirements in the statute nor reference to the statute is necessary in these rules. This finding is consistent with the legislative directive contained

in Minn. Laws 1977, ch. 443 § 2 stating that rules should not be used as a vehicle to restate statutes unless the hearing examiner determines duplication of the statute is crucial for a regulatee to determine the meaning and effect of a rule. Since the hearing examiner found that the Board's discretionary authority to refuse to permit the taking of an examination ". . . is controlled rather explicity [sic] by the statutes. . ." (Finding of Fact, paragraph #13, REPORT OF THE HEARING EXAMINER), and since the Chief Hearing Examiner found no need for statutory reference in the rule, the Board finds specific inclusion in the rules of reference or restatement of the Board's discretionary authority is not necessary.

IN WITNESS WHEREOF, I have hereunto subscribed my name this 15th day of July, 1977.

FOR THE BOARD OF VETERINARY MEDICINE

REPORT OF HEARING EXAMINER

The above-entitled matter came on for hearing before Steve M. Mihalchick, Hearing Examiner, on August 3, 1976 at 9:00 a.m. in the Board Room of the Department of Health Building, Minneapolis, Minnesota.

Terry P. O'Brien, Special Assistant Attorney General, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, appeared as counsel for the Board. The Board panel consisted of Dr. Wilbur White, President, Dr. James Olin, Secretary, and Dr. Glen Nelson, Executive Secretary. No interested persons or groups appeared at the hearing.

Upon the proceedings herein, the Examiner makes the following:

FINDINGS OF FACT

Procedural Requirements

1. On June 23, 1976, the Board filed the following documents with the Chief Hearing Examiner:

   (a) A copy of the proposed rules;

   (b) A proposed Order for Hearing and Certificate of Board's Authorizing Resolution;

   (c) A proposed Notice of Hearing; and

   (d) A statement of the number of persons expected to attend and estimated length of hearing.

2. On June 30, 1976, the Board mailed the Notice of Hearing to all persons and associations who had registered their names with the Secretary of State for the purpose of receiving such notice, to all persons and associations on a list maintained by the Board of Veterinary Medicine, and to all members of the Legislature.

3. On July 7, 1976, the Board filed with the Office of Hearings Examiners the following documents:

(a) The Order for Hearing;

(b) The Notice of Hearing as mailed;

(c) The affidavit of receipt of the Secretary of State's list;

(d) The Affidavit of Mailing;

(e) The Statement of Need;

(f) The names of Board personnel who will represent the agency; and

(g) A summary of evidence.

The documents were available for inspection at the Office of Hearings Examiners from the date of filing to the date of the hearing.

4. The record was closed, on August 23, 1976, after allowing 20 days for submission of written comments.

PROPOSED MINN. RULE VEB-7 APPLICATION FEES

5. This rule provides a non-returnable application fee of $100 and that the full $100 is payable for any subsequent applications. Statutory authority for the rule is found in Minn. Laws 1976, Ch. 222, §§ 3, 123, 125 and 126.

6. The need to adopt this rule arises from statutory changes adopted in Minn. Law 1976, Ch. 222, which deleted fixed fees and directed that the Board, and all other licensing boards, set fees by rule and "adjust any fee which the Board is empowered to assess a sufficient amount so that the total fees collected by each Board will as closely as possible equal anticipated expenditures." The rule is necessary to comply with the Legislative Directive.

7. VEB 7(a) sets the application fee at $100 based upon expected costs of examinations and related expenses for the 1978-1979 biennium. Financial statements in the record show that the projected fees at this figure, when combined with projected renewal fees (VEB 8), will approximately equal anticipated expenditures. The expected expenditures shown by the Board's statements appear very conservative, especially since no provision is made for expenses which could not reasonably be estimated at this time. The allocation of fee revenues between application fees and renewal fees

is reasonable considering the relatively greater expense of administering applications as exposed to renewals.

8. VEB 7(b) is reasonable in that it provides notice that the application fee is not returnable. Though Minn. Stat. §156.02, subd. 2 (1) provides much the same information, it is appropriate to repeat it in the rule where the amount of the fee is set. The only comment on this rule was that the phrase making the fee non-returnable if "licensure is denied or any other cause" was unclear and probably exceeded statutory authority. The Board agreed that the language was unclear and modified the phrase to read: "licensure is denied for any other good cause." (Note: the amended proposed rules did not change the word or to for; apparently that's a typographical error.) So stated the rule merely clarifies the statute. The fee is not returnable when the examination is given but licensure is subsequently denied. That's implied because the Board must still go through all the expense of giving the examination.

9. VEB 7 (c) is reasonable and necessary because each application submitted generates the same administrative processing and expenses.

PROPOSED MINN. RULE VEB-8 RENEWAL FEES

10. This rule provides a renewal fee of $10, the manner and time of application for renewal, a late penalty of $10, suspension for failure to renew, and requires re-examination if licensure is not renewed for five years. Statutory authority for the rule is found in Minn. Laws 1976, Ch. 222, §§3, 123 and 127 and Minn. Stat. §156.071 (1974). Again, the rule is necessary to comply with the legislative directives in Chapter 222.

11. VEB 8(a) through VEB 8(d) set reasonable fees and dates for renewal. The dates continue the practice previously specified in the statute. The fees are reasonable in that they approximate expenses. See Finding #7.

12. VEB 8(e) is reasonable in making failure to pay the renewal fee grounds for suspension. Such suspension was formerly mandated by Minn. Stat. §156.07 (1974). Allowing removal of the suspended status is essentially a restatement of Minn. Stat. §156.071.

13. VEB 8(f) is reasonable because it restates provisions

contained in Minn. Stat. §156.071 (1974). While restatement of statutory provisions may not be technically necessary, it is appropriate where, as here, the rule is a complete statement of a subject and the absence of the provision would make it incomplete. One comment on this rule is well taken; it says the rule does not state the Board's discretionary authroity to refuse to permit the taking of an examination. Actually, the situation is controlled rather explicity by the statutes, but, to make it clear, the rule should reference the statute or restate all the requirements given in the statute. Either modification would be reasonable.

14. The Board responded to several comments by modifying the proposed rule to comport with the usage of the words license, licensure and registration found in Minn. Laws 1976, Ch. 222.

CONCLUSIONS

1. The Board of Veterinary Medicine has fulfilled all relevant substantive and procedural requirements of law and rule.

2. The Board properly documented its statutory authority to promulgate the proposed rule.

3. The Board demonstrated the need for and the reasonableness of the proposed rules and its amendments thereto by an affirmative presentation of facts.

RECOMMENDATION

It is recommended that the proposed rules, as amended by the Board, be adopted with consideration given to the Findings of Fact contained herein.

Dated this 31st day of August, 1976.

STEVE M. MIHALCHICK
Hearing Examiner

PLEASE TAKE NOTICE that pursuant to Minn. Stat. §§ 15.0412, subd. 4, and 15.052, subd. 4 (Supp. 1975), the Board shall make this Report available to all affected individuals upon request for at least ten (10) days before the Agency takes any final action on the proposed rules.

The Board shall, if it decides to adopt the rules as originally proposed or amended, submit the complete hearing record to the Chief Hearing Examiner no earlier than ten (10) days subsequent to the receipt of this Report. The Board must submit the rules as originally

proposed and the rules as proposed for adoption in final form.

The submission to the Chief Hearing Examiner shall precede review by the Attorney General. The Chief Hearing Examiner shall complete his review and submit his report to the Department on the issue of substantial changes in the rules within ten (10) calendar days. The Board is then responsible for filing the rules with the Attorney General.

BOARD OF VETERINARY MEDICINE

In the Matter of a proposed Adoption of Rules of The Board of Veterinary Medicine Governing License Application Fees and Renewal Fees

STATEMENT OF JUSTIFICATION

The Minnesota Board of Veterinary Medicine has determined that the annual renewal fee of five dollars ($5.00) must be increased to ten dollars ($10.00) and that the examination fee must be increased from fifty dollars ($50.00) to one hundred dollars ($100.00) in order to provide sufficient revenue to finance the activities and services which Minnesota Statutes requires the Board to perform.

Several basic underlying changes have been made by legislative action that account for the increase in fees.

1. The balance of the Board's treasury that has historically been built up and carried forward for projected expenditures is no longer available for Board use since it will be transferred to the General Fund.

2. Moving the Board to the Department of Health has necessitated increased costs in salaries and overhead that was not incurred in the past.

3. New items that have never been budgeted in the past are now to be included in proposed budgets. These items are essential for the functioning of the Board as required by the Legislature in Minn., Laws 1976 ch. 222, and include the following:

a. Administrative support from the Department of Health to include statewide licensing (approximately 1800 2 $1.00/license/year).

b. Attorney General Fees.

c. Fees for investigations and disciplinary hearings.

Minnesota uses the National Board Examinations and purchases them from Professional Examination Service in New York. The cost per examination to P. E. S. has increased from twenty five dollars ($25.00) per examination to forty five dollars ($45.00) per examination and is expected to go higher. The increased administrative costs of giving the examination, secretarial time in evaluating applicants for approval to sit for the Boards, are calculated in the cost of examination. An additional cost related to examinations is incurred because an amendment to the Practice Act permits the issuance of a temporary permit to practice, given at the time of application for examination. Most Boards charge a separate fee for a temporary permit (up to seventy five dollars ($75.00) but this cost is covered by our Board in the application fee for examination.

It has been ascertained that the above fee changes are minimal and mandatory in order to implement the State Statutes regulating Veterinary Medicine for Fiscal 1978-1979. Obviously it does not provide for prolonged litigation costs that may evolve from a given legal action regarding revocation or suspensions of a license.

As of January 2, 1976, 1664 persons were licensed. It is now anticipated that 1864 persons will have been licensed by July 1, 1978. With 1864 renewals at the current five dollars ($5.00)would provide income of $9,320.00 in that Biennium.

With an estimated 90 applications for examination at the ($50.00) fee, income from this source would be $4,500. Renewal fees at $25.00 for approximately fifty corporations would be $1,250, giving a total income for the 1978-1979 biennium of $15,070.00.

Renewal fees at $10.00 would provide $18,640. Applications for examination at $100.00 would provide $9,000. Renewal fees for corporations would still be $1,250, giving a total income for 1978-1979 biennium of $28,890.

This Board's legislative approporation for the 1976-1977 biennium was $21,400.00. No provision was made in the approved budget for this biennium for costs of investigative services, hearings, computer services or attorney fees.

Rationale

A licensure fee of $100.00 instead of the current $50.00 is needed to cover the costs incurred in licensure. These costs include personnel, supplies and equipment, printing, postage, telephone, test services for the nationally standardized examination (booklets, grading, date), shipping of test materials (Mpls. - New York), exam proctors, and board members' time.

An annual renewal fee of $10.00 instead of the current $5.00 is needed to cover costs incurred in processing renewals. This includes printing, postage, late penalty notices.

Since moving our office to the Department of Health we have incurred expenses that did not exist previously, such as rent, telephone, computer services, xerox services as well as a moderate salary for one 3/4 time office employee, as well as a minimal salary for a part time executive secretary.

These approved levels do not include anticipated salary adjustments for cost-of-living increases or length-of-service, nor does it include expenditures necessary to implement continuing education that must be anticipated.

An estimated receipts and expenditure detail may be found on subsequent page.

COUNTY OF HENNEPIN

BEFORE THE MINNESOTA BOARD

OF VETERINARY MEDICINE

In the Matter of the Proposed Adoption of Rules of the Board of Veterinary Medicine Governing the Licensure Application Fees and Renewal Fees

STATEMENT OF NEED

The need to adopt the above-captioned rules arises in order to bring the Board of Veterinary Medicine in conformance with new legislation. Whereas, Minn. Stat. §§ 156.02 subd. 2, 156.03 and 156.07 (1974) specified fees in dollar amounts, Minn. Laws 1976, ch. 222 §§ 125, 126 and 127 delete reference to specified amounts. Specifically, Minn. Laws 1976, ch. 222 § 125, requires that each licensure application contain a "fee as set by the Board" and Minn. Laws 1976, ch. 222 § 126 states that a license may issue upon ". . . payment to the board of a fee as set by the board . . . ." Minn. Laws 1976, ch. 222 § 128 further requires that no part of the application fee as set by the board shall be refunded should the application be denied. With regard to the licensure renewal fees, Minn. Laws 1976, ch. 222 § 127 states that:

> Renewal fees shall be set by the board. The board may assess a charge for delinquent payment of a renewal fee.

Furthermore, Minn. Laws 1976, ch. 222 § 3 authorizes the board to adjust fees by rule ". . . so that the total fees collected by each board will as closely as possible equal anticipated expenditures . . . ." and requires that rules specify the procedures for renewal as well as the period of time for which a license is valid. The adoption of the proposed rules is necessary to fulfill the directives as stated by the legislature.

Also, in order to insure payment of renewal fees procedures to deal with delinquent payment as well as non-payment for five years or more are necessary to provide a means of enforcing the rules.

RULES AS ADOPTED

VEB 8

Renewal Fees

(a) Each person now licensed to practice veterinary medicine in this state, or who shall become licensed by the Board of Veterinary Medicine to engage in the practice shall be responsible for tendering an annual license renewal fee if he wishes to practice veterinary medicine in the coming year, and/or remain licensed as a veterinarian.

(b) Each licensee shall renew his license on or before March 1 of each year and thereupon the license of such veterinarian shall be renewed until March 1 in the next succeeding year.

(c) The annual fee for licensure renewal shall be $10.00 and shall be paid to the Executive Secretary of the Board on or before March 1 of each year. By January 1 of the year for which the renewal fee is due, the Board will issue a renewal application to each current licensee to the last address maintained in the board file. Failure to receive such notice shall not relieve the licensee of his obligation to pay renewal fees in such a manner that they are received by the board on or before the renewal date of March 1.

(d) An application for renewal shall pay a late penalty of $10.00 as well as the renewal fee if the application for renewal is received after March 1 of the current year. A renewed license issued after March 1 of any year shall be valid only until March 1 of the next succeeding year regardless of when the renewal fee is received.

(e) The failure of a licensed veterinarian to pay the renewal fee provided herein within 60 days after March 1 in any year shall constitute grounds to suspend his license to practice veterinary medicine in this state.

The suspended status placed upon a license may be removed only upon payment of renewal fees and late penalty fees for each year or portion of a year during which the veterinarian practiced and was not currently renewed.

(f) Any licensee who fails to renew his license for a period of five years or more must re-take the examination required for non-licensed applicants and tender all fees required for original licensure upon his written application to become actively renewed.

Whereas, Minn. Stat. §§ 156.02 subd. 2, 156.03 and 156.07 (1974) established application fees and annual renewal fees for Veterinarians in specified dollar amounts, Minn. Laws 1976, ch. 222 §§ 125-127 deletes reference to specified amounts and requires the Board to set fees. Minn. Laws 1976, ch. 222 § 3 states that

> ". . . health related licensing boards may by rule, with the approval of the Commissioner of Finance, adjust any fee which the board is empowered to assess a sufficient amount so that the total fee collected by each board will as closely as possible equal anticipated expenditures."

The proposed amendment to Minnesota Rules and Regulations of the Board of Veterinary Medicine License Renewal, a copy of which is attached, increases the application fee to one-hundred dollars ($100.00), the annual renewal fee to ten dollars ($10.00), and permits a delinquent penalty fee of ten dollars ($10.00).

Upon review of the supporting information justifying the need, reasonableness and amount of the renewal fee, and pursuant to the authority vested in the Minnesota Department of Finance by Minn. Laws 1976, ch. 222 § 3, and Minn. Stat. §§ 16A.04 subd. 3 and 16A.07 subd. 4 (1974), the fee proposed in the above rules of the Board of Veterinary Medicine rules are hereby approved.

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that a public hearing in the above-entitled matter will be held in the Board Room of the Minnesota Department of Health Building, 717 Delaware Street Southeast, Minneapolis, Minnesota, on Tuesday, August 3, 1976, commencing at 9:00 A. M. and continuing until all persons have had an opportunity to be heard.

All interested or affected persons will have an opportunity to participate. Statements may be made orally and written materials may be submitted at the hearing. In addition, written materials may be submitted by mail to Steve Mihalchick, Office of Hearing Examiners, 1745 University Avenue, St. Paul, Minnesota, either before the hearing or within 20 days after the close of the hearing.

The proposed rules, if adopted, would require persons applying for a license to practice veterinary medicine in Minnesota to pay a $100.00 application fee and require licensed veterinarians to pay an annual renewal fee of $10.00 by March 1st of each calendar year or suffer a late penalty fee of $10.00 over and above the renewal fee. A licensee who fails to submit a renewal fee 60 days after the renewal date could have his license temporarily suspended. A licensee who fails to renew for five or more years must pay the original application fee and must retake the examination required of non-licensed applicants. Copies of the proposed rules are now available and one free copy may be obtained by writing to the Board of Veterinary Medicine, 717 Delaware Street Southeast, Minneapolis, Minnesota 55440. Additional copies will be available at the door on the date of the hearing. The agency's authority to promulgate the proposed rules is contained in Minn. Laws 1976, ch. 222, sections 3, 125, 126, and Minn. Laws 1976, ch. 285, sections 4, and 6. A "statement of need" explaining why the agency feels the proposed rules are necessary will be filed with the Hearing Examiner's Office at least 25 days prior to the hearing and will be available there for public inspection.

Please be advised that pursuant to Minn. Stat. 10A.01 subd. 11 (1974), any individual engaged for pay or other consideration for the purpose of representing persons or associations attempting to influence administrative action, such as the promulgation of these rules, must register with the State Ethics Commission as a lobbyist within five days of the commencement of such activity by the individual.
