

BEAR+PROPHET

Bear + Prophet Premium Vodka is the first product produced by Donati Wine and Spirits, located in the heart of Paso Robles Wine Country.

Distilled from premium wine grapes grown on the Central Coast of CA, Bear + Prophet brings a uniquely Californian profile to the craft spirits scene.

Tasting notes of Tangerine and Kaffir Lime on the nose leads to a smooth, clean and refined spirit, with layers of complexity finishing with hints of mandarin orange on the palate.
