

## Our House of Brands

Etsy, Inc. operates two-sided online marketplaces that connect millions of passionate and creative buyers and sellers around the world. These marketplaces keep commerce human by using the power of business and technology to strengthen communities and empower people. Depop became part of Etsy, Inc. in 2021.

The Etsy and Depop brands consist of vibrant, two-sided marketplaces with passionate communities and highly-differentiated offerings of unique items. While our marketplaces operate independently, they benefit from shared expertise in areas such as product, marketing, technology, and customer support. Etsy, Inc. employees - whether a team member of Etsy or Depop - tackle unique, meaningful, and large-scale problems alongside passionate coworkers, all the while making a rewarding impact.
