Aluminum Frame

36 in 91.5 cm

TACKABLE

MOUNTING

QUICK STEPS TO HANG:

(2 Options - Hardware Included)

Permanent Self-Stick Pads
Break apart adhesive pads into separate pieces. Peel off protective paper from one side of double-sided adhesive pad and apply to back side of board. Repeat for remaining pads, distributing evenly around edges. Remove remaining protective paper from each pad and install on clean, dry surface. Press firmly in place.

Magnets
Use both the adhesive pads and magnets. Attach adhesive pads to product following Self-Stick Pads instructions. After attaching pads to the back of the frame, remove remaining protective paper from pads and attach one magnet to each, adhering tape side to Self-Stick Pads. Hang board on metal surface.

SAFETY INFORMATION

⚠**WARNING:** This product contains small magnets. Swallowed magnets can stick together across intestines causing serious infections and death. Seek immediate attention if magnets are swallowed or inhaled. Magnets can interfere with pacemakers or other medical devices. Keep magnets far away from medical devices to prevent interference.

⚠**WARNING:** CHOKING HAZARD - Small parts. Not for children under 8 years old.
