Length (mm)	10000
Width (mm)	10
Height (mm)	5
Weight (g)	1960

Description

Upgrade your lighting game with our high-quality Single Colour LED Strip. This strip lights up your space with a warm and inviting 2700K light, while emitting 20 W/m of brightness. With an IP65 rating, it is safe to use in any indoor or outdoor space and is built to withstand the elements. It has a high CRI of 92, which ensures accurate color representation, and features 120 LED lights per metre for optimal illumination. The strip is 5 or 10 metres in length, allowing you to customize the length to your specific needs. Whether you want to accent your home's decor, light up your work area, or add some ambiance to your outdoor space, this LED strip has you covered.
