Capital Area Pediatrics - 2 Month Well Visit Services Authorization

The charge for today's office visit is listed below, along with the charges for additional services that may be recommended based on your child's age, risk factors, or health situation. Our medical staff will only perform and bill for those services that are due for YOUR child today. It is your responsibility to pay for any services that are not covered by your insurance. The billing (CPT) code can be found next to each service.

Preventative Medicine Office Visit:

New patient (99381) - $201.00 Forms $15.00 each ***– not covered by insurance***

Established patient (99391) - $180.00

Immunizations:

Hepatitis B (90744) $35.00 + Vaccine Administration (90460) $47.00= $82.00 *(not needed if already had 2 doses)*

Pentacel (DTaP+HIB+IPV) (90698) $142.00 + Vaccine Administration (90460) $47.00 & (90461) 4 units X $23 = $281.00

(S3620) $0.00 if test kit provided by Hospital) Heel Stick (36416) $9.00 Lab Handling/Send Out (99000) $35.00 = $44.00

Additional Services (Medical Procedures and Specific Health Conditions):

Sometimes a problem or abnormality is addressed (e.g. fever, severe skin conditions, or recurrent wheezing) which is outside of the scope of a well visit. When additional work is required at the well visit to address this type of issue, an additional office visit/sick visit code or procedure code will be reported to your insurance company. This may also include catch-up services not included in physical exam.

These services may be subject to cost sharing (co-pays and/ or deductibles) as determined by your insurance company.

Insurance eligibility status	**Insurance Plan:**
	As of today's date, your insurance indicates that your coverage is ACTIVE.
A problem has been identified with your insurance coverage:	
	CAP Providers are not participating with your plan.
	Your insurance coverage is inactive or not on file
	An eligibility issue has been identified (Name or DOB mismatch)
	Services require a referral or authorization and one has not been obtained from your PCP
	PCP not selected or CAP Provider not selected as PCP (Required By Your Insurance)
The financially responsible party will be liable for all charges rendered at today's visit if claims are denied and/or new insurance information is not supplied within 30 days of today's visit.	

If uninsured, a 20% discount is available for fees that are paid in full at time of service.

I acknowledge that I have been given information and fees related to today's visit. Date: _____
