Thank you for purchasing the Salt Lamp by Levoit. Counter-balance electronic smog produced by your household appliances through natural ionization. Place the salt lamp near an area you often relax to naturally ionize the air surrounding the lamp. With warm lighting and natural negative ion balance, it's easy to wind down and relax from the daily stresses of life. Expand your salt lamp collection to strengthen the balance in your household. It's a natural remedy for symptoms caused by respiratory problems, skin conditions, stress related disorders, insomnia, headaches, migraines and blood system disorders.

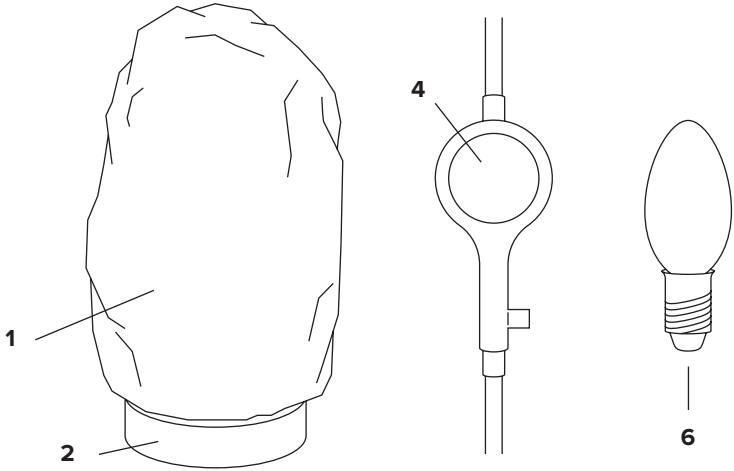
IMPORTANT: Please read, understand, and comply with all of the instructions provided in this manual before using the device. Failure to comply with the instructions given in this manual and/or using the device in ways other than the ones mentioned in this manual may result in serious injury and/or damage the product.

Safety Use & Care

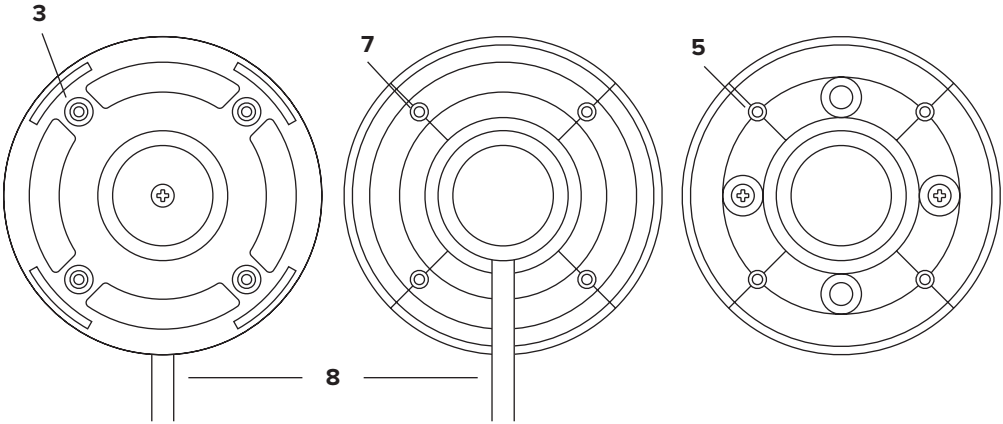
- Keep out of reach of children.
- The lamp is for indoor use only. Avoid exposure to high-temperature sources direct sunlight and moisture.
- **DO NOT** strike or drop the lamp.
- To avoid damage, move and handle with care.
- **DO NOT** wash with water or detergents. Do not immerse in any form of liquid.
- **DO NOT** place the salt lamp near any electrical appliances. The natural evaporation may cause humidity or damage to other appliances.
- Due to the nature of natural salt, each crystal varies in color, shape, size, and weight.
- To protect the surface in which the lamp is placed, place a cloth or coaster under the lamp's base.
- If the salt crystal surface becomes moist, set the lamp to high and leave the lamp on to allow the salt crystal to dry.
- **DO NOT** replace the bulb while the salt crystal is damp.

Function Diagram

1. Salt crystal
2. Lamp base
3. Base screws
4. Lighting control
5. Base pegs
6. Bulb
7. Screw slots
8. Power cord



NOTE: Each salt crystal is unique in shape and size.



Operation

1. Place the salt lamp on a hard, flat surface.
2. Plug the power cord into a powered socket.
3. Tap the lighting control button to turn on the lamp.
4. Press and hold the lighting control button to adjust the lamp brightness. Release at the desired brightness setting.
5. Press the power button once again to turn off the lamp.

Action	**Command**
Turn on	Press once
Dim Light	Press and hold, then release at desired level (while light is on)
Brighten Light	Press and hold, then release at desired level (while light is dim)
Turn off	Press once

Light Bulb Replacement

NOTE: It is best to complete this process seated at a table or nearby surface to place the small screws.

1. Unplug the salt lamp's power cord.
2. Carefully flip over the lamp, supporting the lamp by the crystal.
3. With a small screwdriver, remove the four base screws, rotating counter-clockwise.

NOTE: Do not remove the center screw.

4. Gently slide off the base while holding the lamp (upside-down or sideways).
5. Carefully set aside the salt crystal on a flat and stable surface and remove the bulb from the base socket, gently rotating it counter-clockwise.
6. Install a new bulb, gently rotating it clockwise.
7. Gently slide the base back onto the crystal, making sure the screw slots and base pegs are aligned.

NOTE: You may test to see if the screw slots and base pegs are aligned by attempting to twist the base while in place. If the base doesn't rotate, the crystal and base are properly locked in.

8. With a small screwdriver, reinstall the screws in each of the four outer slots, making sure they are tightly screwed in.
9. Place the lamp on a flat surface right side up, holding your hand under the base until placed under the table so as to avoid the possibility of losing any loose screws.

Cleaning & Maintenance

- Regularly dust off the salt crystal with a dry clean cloth.
- Do not wash or clean with water or liquid detergents.
- If not in use for a long period of time, store the lamp in a cool and dry environment, covering the crystal with a plastic bag.
- The lamp may naturally moisten in humid environments. If used in a humid environment, keep the lamp lit for several hours for it to naturally dry out.
- If the salt crystal becomes moist, gently pat down the crystal surface with a dry cleaning cloth.

Features & Specifications

Input:	120V/60Hz
Light Color:	Orange
Power:	Max 15W
Length of Power Cord:	2 m

NOTE:
- Recommended for a room size of equal to or larger than 10 square feet (3 square meters).
- Due to the nature of natural salt, each crystal varies in color, shape, size, and weight.

1 - Year Limited Warranty

Terms & Policy

Levoit warrants all products to be of the highest quality in material, craftsmanship and service for a minimum of 1 year, effective from the date of purchase. Warranty lengths may vary between product categories. For specific warranty terms, please refer to your product listing page or product operation manual.

Under the limited warranty, Levoit will replace or refund any parts found to be defective due to manufacturer flaws. This warranty extends only to personal use and does not extend to any product that has been used for commercial use, rental use, or any other use in which the product is not intended for. There are no warranties other than that expressly set forth with each product.

This warranty is non-transferrable. Levoit is not responsible in any way for any damages, losses or inconveniences caused by equipment failure or by user negligence, abuse, or use noncompliant with the user manual or any additional safety, use, or warnings included in the product packaging and manual.

Levoit and its subsidiaries assume no liability for damage caused by the use of the product other than for its intended use or as instructed above and within the user manual. Some states do not allow this exclusion or limitation of incidental or consequential losses so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

Should your product prove defective within the specified warranty period, simply return the defective part or unit in its original packaging with the following:
(1) An original copy of invoice, (2) Order confirmation

ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTY OF MERCHANTABILITY, ARE LIMITED TO THE PERIOD OF THE LIMITED WARRANTY.

Exceptions & Exclusions

- Damage due to abuse, accident, alteration, misuse, tampering or vandalism.
- Improper or inadequate maintenance.
- Damage in return transit.
- Unsupervised use by children under 18 years of age.
