It all started with Fern Bridges.
Years of gumbo, fried shrimp, oysters, family and friends.
In 2000 our dream of opening a restaurant came true.
On June 12, 2000 we opened the doors to ED'S Seafood Shed.
Using Fern's recipes and a few West Virginia recipes from Barbara's family,
ED'S came to be known for seafood cooked the "Old Mobile" way.
We'd like to thank all of our faithful customers who have
made ED'S their destination on the Causeway.
And we'd also like to thank our employees for a job well done.

So here's a BIG thanks to all from ED's Seafood Shed!
