DOLVIN ELEMENTARY SCHOOL

DOLVIN DIARY

November 12, 2026

Dear Dolvin Families,

This year, we provided new carpool tags but kept the same numbers to try to keep it easy for the students, so they don't have to memorize a new number every year. Providing a new carpool tag helps us make sure our records are up to date and guardianship/pickup permissions are accurate. This year our carpool tags are blue, if you need a blue carpool tag for a second car or a replacement tag, please come to the front office with identification to receive one from Mrs. Tomczak. If a pickup car comes through afternoon carpool without a blue tag (even if it has the same number), we will send the driver to the front office to get a new tag. Thank you so much for your cooperation with this.
